not won a pennant in twenty years and had not posted a winning record in eight years. Pampered by their benevolent owner Tom Yawkey the Red Sox had developed a reputation as a team that cared more about having a good time than winning baseball games. The Gold Sox or Jersey Street Jesters were sometimes playing before fewer than 1 000 fans at Fenway Park. Yawkey disilluminated began seriously considering selling the team or moving the franchise to another city. Then in 1967 a brash rookie manager named Dick Williams took charge of a hungry but very young and inexperienced team that did not know how to win. A strict disciplinarian Williams had no tolerance for nonsense and he taught the Red Sox how to play the game right. Yet when he predicted that the Red Sox would win more games than they'd lose in 1967 no one took him seriously. The Red Sox forged a 10 game midseason winning streak. Adopting the theme song from the hit Broadway musical *Man of La Mancha* the 1967 Red Sox season became *The Impossible Dream*. The fans grew excited again and started flocking to Fenway Park or tuning their radios to the broadcasts of the games. Over the season's final six weeks the Red Sox never led or trailed by more than 1 1 2 games. Three teams were still in the pennant race during their final game. When that day was over the Red Sox had become the first and only team in major league history to rise from ninth place to league champion. The Red Sox remain indebted to the 1967 champions and they will be indebted forever. Rico Petrocelli one of Boston's most beloved athletes and a twenty four year old shortstop on that *Impossible Dream* team recaptures the thrills of that improbable season through his unique anecdotes. In this re-release timed to coincide with the 50th anniversary that magical year Rico chronicles both the nightmare that threatened to swallow an organization and the resurrection that would reinvigorate a team and a city that share the same heart.
