Tashas Witch:

Tasha Brian Morton,2023-04-11 Acclaimed novelist Brian Morton delivers a moving darkly funny memoir of his mother s vibrant life and the many ways in which their tight but turbulent relationship was refashioned in her twilight years Tasha Morton is a force of nature a brilliant educator who s left her mark on generations of students and also a whirlwind of a mother intrusive chaotic oppressively devoted and irrepressible For decades her son Brian has kept her at a self protective distance but when her health begins to fail he knows it s time to assume responsibility for her care Even so he s not prepared for what awaits him as her refusal to accept her own fragility leads to a series of epic outbursts and altercations that are sometimes frightening sometimes wildly comic and sometimes both Clear eyed loving and brimming with dark humor Tasha is both a vivid account of an unforgettable woman and a stark look at the impossible task of caring for an elderly parent in a country whose unofficial motto is you re on your own Turning his novelist s eye on his own life Brian Morton lays bare the treacherous business at the heart of every family the business of trying to honor ourselves without forsaking our parents and our parents without forsaking ourselves WITCH Michelle Tea,2025-05-20 An exploration of the Witch as radical

Destiny's Warriors: The Last Sacrifice R M Putnam,2010-01 Will evil magic revenge and murder result in the Last Sacrifice or will the Dreaded Lord of Blood fulfill the prophecy Readers of The Last Sacrifice will be spellbound by the continuing story of Lord Gwydion's offspring his sons Cormac Swayzie and Beltene as they encounter Donait the daughter of Rosilda and the picture of innocence at least on the surface Donait is sent by Rosilda to avenge Ragnarok and Sorcha by taking Gwydion down and overthrowing the throne Donait armed with a love potion that she uses liberally affects the lives of everyone she touches and the consequences that spiral from her meddling are dire But they are all part of Destiny's plan Going against her orders Donait falls in love with Owain who believes her to be a good soul and counters his own family killing two to defend her Having seduced several family members Donait gives birth to a baby girl Megan Megan grows into a

beauty with a warrior's heart and dreams of joining the Fianna. When she comes of age and is denied membership, all hell breaks loose. Cormac tries to protect her but cannot do so at all times. When Megan meets what she feels might be her life mate, it's not at all a smooth transition and battles of blood and bone ensue. Great deep love and bliss grow here with *The Last Sacrifice* as do the hatred and venom of souls lost and betrayed. The way they entangle and intertwine throughout the novel is fascinating and karmic lessons abound. The men and women in this sequel to *Destiny's Warriors* are beautiful and enchanting and utterly horrifying as the Lord of Blood hunts down men, women, and children for the slaughter to feed his cannibalistic society. This epic tale of retribution, battles of will, and affairs of the heart are to be devoured and at the same time savored as you travel from realm to realm within its pages.

Our Old Monsters Brenda S. Gardenour Walter, 2015-07-22 The witch, the vampire, and the werewolf endure in modern horror. These old monsters have their origins in Aristotle as studied in the universities of medieval Europe where Christian scholars reconciled works of natural philosophy and medicine with theological precepts. They codified divine perfection as warm, light, male, and associated with the ethereal world beyond the moon, while evil, imperfection, was cold, dark, female, and bound to the corrupt world below the moon. All who did not conform to divine goodness, including unholy women and Jews, were considered evil and ascribed a melancholic, blood-hungry, and demonic physiology. This construct was the basis for anti-woman and anti-Jewish discourse that has persisted through modern Western culture. Nowhere is this more evident than in horror films where the witch, the vampire, and the werewolf represent our fear of the inverted other.

The Twins' mate:book 4 Emmarentia Snyman, 2021-06-01 Sebrina looks at Josh as he stands in front of her. She knows what he is going to say. She knows he will reject her for her more beautiful blond twin sister. She and Leona can not be more different and everyone can not believe they are twins. Her parents always loved Leona more than her as she had red hair and green eyes and freckles while Leona was the pretty one with blond hair, blue eyes, and perfect skin. Sebrina has learned not to ask her parents for love and attention from a young age as all their love and attention went to the cute child. They ignored her like she did not exist. It made Sebrina push people away from her and that is why she is standing here in front of Josh, her mate, waiting for him to reject her. It is not uncommon for twins to have the same mate. It happened before. Sebrina, being the rebel, she smiles as she waits for Josh's words. I, Josh Norton, future alpha of the Red Wood Pack, reject you, Sebrina Dawson, as my mate. Josh says. Everything inside Sebrina feels like it is dying a slow death. Her wolf is whimpering but she quiets her down. I, Sebrina Dawson, accept your rejection, future alpha of the Red Wood Pack. I hope you and Leona will be happy. Sebrina says with a sarcastic smile on her face. She knows her sister and she knows she is spoiled rotten. You are just going to accept it like that. Leona asks from the side. Sebrina knows her sister wants a fight but she will not give her the satisfaction. Sebrina looks at Leona and smiles. Best of luck to the two of you. Sebrina says. My father is the beta to Josh's father and Sebrina knows her life is not worth a dime after today. Leona will want her dead to make sure Josh stays hers forever and that he does not change his mind in the future. Sebrina knows she is risking her life to leave her
