Farrand, 2010-03-31 Six feature films the wildly successful television spin off Star Trek The Next Generation endless reruns videotapes conventions a line of best selling novels and William Shatner's New York Times best seller Star Trek Memories have kept the Star Trek spirit alive and well even 25 years after its cancellation Now this must have book for all Trekkers which covers every episode of the original series the pilot and all six movies reveals all the bloopers continuity errors plot oversights equipment malfunctions and goof ups that discerning die hard fans love to spot but may have missed Written especially for all those who find themselves thinking Hey if the transporter is broken why don't they just use a shuttlecraft this nitpicky volume includes Kirk's toupee watch an examination of the logic of the miniskirted female crew members number of times Kirk violated the Prime Directive and lots of trivia questions fun facts quizzes and more Live long and nitpick

Star Trek and the British Age of Sail Stefan Rabitsch, 2018-12-20 Clear all moorings one half impulse power and set course for a mare incognitum A popular culture artifact of the New Frontier Space Race era Star Trek is often mistakenly viewed as a Space Western However the Western format is not what governs the worldbuilding of Star Trek which was after all also pitched as Hornblower in space Star Trek is modeled on the world of the British Golden Age of Sail as it is commonly found in the genre of sea fiction This book re historicizes and remaps the origins of the franchise and subsequently the entirety of its fictional world the Star Trek continuum on an as yet uncharted transatlantic bearing

Star Trek The Collectibles Steve Kelley, 2008-09-26 This book provides a wide range of Star Trek treasures you can appreciate whether you're a devoted Trekkie or a novice collector of this epic American science fiction franchise Then the pages of this spectacular guide you'll discover more than 1 500 color photos including memorabilia direct from Paramount Studios warehouses In addition you'll enjoy chapters covering more than 40 years of Star Trek action figures lunch boxes games pins posters uniforms original scripts and countless other items all with identifying details and current market values

Science Fiction and Political Philosophy Timothy McCranor, Steven Michels, 2020-02-14 Sometimes called the literature of ideas science fiction is a natural medium for normative political philosophy Science fiction's focus on technology space and time travel non human lifeforms and parallel universes cannot help but invoke the perennial questions of political life including the nature of a just social order and who should rule freedom free will and autonomy and the advantages and disadvantages of progress Rather than offering a reading of a work inspired by a particular thinker or tradition each chapter presents a careful reading of a classic or contemporary work in the genre a novel short story film or television series to illustrate and explore the themes and concepts of political philosophy

The Star Trek Universe Douglas Brode, Shea T. Brode, 2015-05-14 As one of the most influential shows of all time Star Trek continues to engage fans around the world But its cultural impact has grown far beyond the scope of the original seventy nine episodes The show spawned an unprecedented progeny

beginning with Star Trek The Next Generation followed by three additional series of space exploration Film versions featuring Captain Kirk Mr Spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show From the modest ambitions of the show s creator Gene Roddenberry Star Trek gradually transformed into a true franchise an expanded universe that continues to grow In The Star Trek Universe Franchising the Final Frontier Douglas and Shea T Brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 Every aspect of media into which Star Trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the Enterprise and her crew Essays address a number of elements particularly how the franchise has had an impact on gaming fandom and even technology Other essays consider how race gender and sexuality have been addressed by the various shows and films After a half century of boldly exploring topical issues that concern all of humanity Star Trek warrants serious attention now more than ever Looking beyond the entertainment value of its many versions The Star Trek Universe a companion volume to Gene Roddenberry s Star Trek offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show s legions of fans around the planet

Is Star Trek Utopia? Sebastian Stoppe, 2022-07-28 Star Trek has transcended science fiction through its use of elements that have crucial roles in classical utopian tradition New technologies change a civilization a miniature society unfolds on a spaceship and an android teaches humanity Star Trek has been answering many questions about our own world for 50 years and since the days of Captain Kirk the franchise has become one of the world's best known cultural phenomena This book documents what the Star Trek franchise has in common with classic utopias Chapters analyze how technology changes society and how the Federation embodies utopian ideals Also explored are the political relations among alien species that reflect past and present conflicts in our real world and how the Borg resembles an anti utopian society

Conspiring with the Enemy Yvonne Chiu, 2019-10-08 Despite the strong influence of just war theory in military law and practice warfare is commonly considered devoid of morality Yet even in the most horrific of human activities there is frequent communication and cooperation between enemies One remarkable example is the Christmas truce unofficial ceasefires between German and English trenches in December 1914 in which soldiers even mingled in No Man's Land In Conspiring with the Enemy Yvonne Chiu offers a new understanding of why and how enemies work together to constrain violence in warfare Chiu argues that what she calls an

ethic of cooperation is found in modern warfare to such an extent that it is often taken for granted The importance of cooperation becomes especially clear when wartime ethics reach a gray area To whom should the laws of war apply Who qualifies as a combatant Should guerrillas or terrorists receive protections Fundamentally Chiu shows the norms of war rely on consensus on the existence and content of the laws of war In a wide ranging consideration of pivotal instances of cooperation Chiu examines weapons bans treatment of prisoners of war and the Geneva Conventions as well as the tensions between the ethic of cooperation and the pillars of just war theory An original exploration of a crucial but overlooked phenomenon **Conspiring with the Enemy** is a significant contribution to military ethics and political philosophy

The Official Star Trek Quiz Book Mitchell Maglio, 1985-05-15 Contains trivia questions and answers about episodes from the original Star Trek series

Star Trek Nerd Search Glenn Dakin, 2020-09-01 It's a puzzle book Jim but not as we know it This is no conventional search and find Each of its detailed full color pages is packed with out of context items and cosmic continuity errors that only a true fan can spot It would be illogical to resist this challenge when the accuracy of the whole Trek universe is at stake Captain Kirk Mr Spock and the Enterprise crew have discovered that a series of exploding tribbles have been hidden by the Klingons in locations visited by the Enterprise Kirk and his crew must seek and find each exploding tribble At the same time fans must spot items from every story in The Original Series also concealed in the pictures This is next level Where's Waldo for adult fans plus a chance to save the galaxy into the bargain A feedback session at the back clears up all quibbles with tribbles and debates about the non interference directive

Cyber Operations and the Use of Force in International Law Marco Roscini, 2014-03-14 The internet has changed the rules of many industries and war is no exception But can a computer virus be classed as an act of war Does a Denial of Service attack count as an armed attack And does a state have a right to self defence when cyber attacked With the range and sophistication of cyber attacks against states showing a dramatic increase in recent times this book investigates the traditional concepts of use of force armed attack and armed conflict and asks whether existing laws created for analogue technologies can be applied to new digital developments The book provides a comprehensive analysis of primary documents and surrounding literature to investigate whether and how existing rules on the use of force in international law apply to a relatively new phenomenon such as cyberspace operations It assesses the rules of jus ad bellum and jus in bello whether based on treaty or custom and analyses why each rule applies or does not apply to cyber operations Those rules which can be seen to apply are then discussed in the context of each specific type of cyber operation The book addresses the key questions of whether a cyber operation amounts to the use of force and if so whether the victim state can exercise its right of self defence whether cyber operations trigger the application of international humanitarian law when they are not accompanied by traditional hostilities what rules must be followed in the conduct of cyber hostilities how neutrality is affected by cyber operations whether those conducting cyber operations are combatants civilians or civilians taking direct part in hostilities The book is essential reading for everyone

wanting a better understanding of how international law regulates cyber combat
