## **Taste Of Persia A Introduction To Persian Cooking:**

A Taste of Persia: An Introduction to Persian Cooking Najmieh Batmanglij, 2012-02-23 A Taste of Persia is a collection of authentic recipes from one of the world's oldest cuisines chosen and adapted for today's lifestyle and kitchen. Here are light appetizers and kababs, hearty stews and rich golden crusted rice among many other dishes all fragrant with the distinctive herbs, spices or fruits of Iran. Each recipe offers clear, easy to follow step by step instructions. Most take less than an hour to prepare, many require only a few moments, many others can be made in advance. Besides its 100 recipes and 60 photographs, the book includes a useful dictionary of Persian cooking techniques and ingredients, a list of specialty stores around the nation that sell hard to find items and a brief history of Persian cookery. Together these make a complete introduction to this wonderful cuisine.

Grilled kebabs, barbari breads, pilafs and brightly colored condiments are everyday fare, as are rich soup stews called ash and alluring sweets like rose water pudding and date nut halvah. Our ambassador to this tasty world is the incomparable Naomi Duguid, who for more than 20 years has been bringing us exceptional recipes and mesmerizing tales from regions seemingly beyond our reach. More than 125 recipes framed with stories and photographs of people and places introduce us to a culinary paradise where ancient legends and ruins rub shoulders with new beginnings, where a wealth of history and culinary traditions makes it a compelling place to read about for cooks and travelers and for anyone hankering to experience the food of a wider world.

*The A to Z of Iran* John H. Lorentz, 2010-04-14 Iran is a country with a deep and complex history. Over several thousand years, Iran has been the source of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of material culture. The special place that Iran has come to hold in contemporary historical events, most recently as a center stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism, is all the more reason to explore the characters and personality of Iran and Iranians. *The A to Z of Iran* is designed to give the reader a quick and understandable overview of specific events, movements, people, political and social groups, places and trends. Through its extensive chronology, introduction, bibliography, appendixes and more than double the number of cross-referenced dictionary entries as in the previous edition, the work allows for considerable exploration of a number of historical and contemporary topics and issues. In particular, the modern period defined as 1800-present is covered extensively.
