

Sir Thomas More

L Darling-Hammond

Sir Thomas More:

The Public Career of Sir Thomas More John Alexander Guy, 1980 *The Life of Sir Thomas More* William Roper, 2022-05-29 In *The Life of Sir Thomas More* William Roper offers a compelling biographical account that weaves together both the personal and professional life of one of early Renaissance England's most influential figures. Written in an engaging prose style that marries narrative with rich historical detail, Roper's work captures More's devout Catholicism, political acumen, and the moral dilemmas he faced during a tumultuous period in history. Roper employs a first person perspective, infusing the text with a heartfelt reverence that reveals not only the events of More's life but also the complex philosophical discussions surrounding his staunch beliefs in humanism and governance. The book also serves as a crucial document of the Tudor period, representing the tensions between faith and authority that characterized the era. William Roper, a close associate and biographer of More, was deeply influenced by his subject's ideals and unwavering principles, especially in light of the political unrest and religious fervor of 16th century England. Roper's personal connection with More highlights the urgency with which he chronicles the life of this extraordinary figure, capturing both the man's formidable intellect and the tragic choices he was forced to make. As Roper himself was a contemporary witness to More's last days, his insights provide invaluable context to this portrait of a martyr and a statesman. This riveting biography is a must-read for anyone interested in the interplay of faith, politics, and ethics in the Renaissance. Roper's intimate portrayal not only enriches our understanding of Sir Thomas More but also invites reflection on the moral challenges that persist in contemporary society. Engagingly written, it offers scholars and general readers alike an opportunity to delve into the life of a man whose legacy endures in discussions of integrity and conscience.

Sir Thomas More Anthony Munday, Henry Chettle, 1990 This modern spelling critical edition of a famous and controversial theatrical document from the Elizabethan age shows that Sir Thomas More is the best extant example of the genre of biographical history. Following a radical re-examination of the manuscript, this edition relates step by step to the process by which the play acquired its final form, accounting in the collation and in the rejected or alternative passages at the end of the text for each single word or mark found in the manuscript. Particular attention is devoted to the use of sources not previously identified, most of which are reproduced in the appendices.

Life and Writings of Sir Thomas More T. E. (Thomas Edward) Bridgett, 1891 *The Life of Sir Thomas More* Cresacre More, 1828 **Sir Thomas More (The Blessed Thomas More)** Henri Bremond, 1920 **Memoirs of Sir Thomas More** Arthur Cayley, 1808 **The Life and Illustrious Martyrdom of Sir Thomas More** Thomas Stapleton, 1928

Sir Thomas More Archibald Douglas Fox, 1905 **Thomas More** Daniel Sargent, 1933 This volume contains a biographical account of the life of Sir Thomas More, author and statesman who was canonized a Saint in 1935. As a writer, he was best known for *Utopia*. Contents: More's education; More's calling; More and Erasmus; More's household; More and the temporalty; More and the spirituality; church's champion; King's willfulness; King's chancellor; More's retirement; Tower of
