Six Figure Consulting How To Have A Great Second Career:

Six-figure Consulting Gary S. Goodman, 1997 With the help of Six Figure Consulting readers can parlay their business experience into a highly rewarding second career This upbeat and motivating book explains how attractive the consulting lifestyle can be It helps readers tap into what they already know but didn't think they did and outlines skills and attitudes necessary for success *The Forty Plus Entrepreneur: How to Start a Successful Business in Your 40's, 50's and Beyond* Gary S. Goodman, 2018-10-09 At age 90 Jack Smiley wasn't thrilled with the community in which he retired so he built his own Today it provides him with a net income of 40 000 each month Famously KFC's 65 year old Kentucky Colonel Harlan Sanders supplemented a paltry Social Security check by franchising his unique recipe for fried poultry Past 50 McDonald's Ray Kroc made a similar trek in multiplying by many thousands a few popular golden arched hamburger stands from San Bernardino California Contrary to popular mythology entrepreneurship is not spearheaded mostly by baby faced technology savvy postadolescents whose brands include Facebook and Apple According to a recent study fully 80 percent of all businesses are started up by people over 35 Amy Groth of Business Insider cites these reasons that fortune favors the old First older entrepreneurs have more life and work experience In some cases they have decades of industry expertise and a better understanding of what it truly takes to compete and succeed in the business world Second they also have much broader and vaster networks Even if older entrepreneurs are seeking to start businesses in entirely different industries they have deep connections from all walks of life for example a brother in law could be the perfect COO Third those over 50 have acquired more wealth and better credit histories which helps with securing loans and are smarter with their finances In this book from best selling author Gary Goodman you'll discover Supporters are everywhere Your age cohort is the wealthiest Now is the time to cash in your wisdom Overcoming false beliefs and self sabotage why the only person holding you back is you The Giraffe Syndrome why the first step is the scariest Busting age myths Nobody will work with me at my age My best years are behind me It takes money to make money and more Teaching Performance Studies Nathan Stucky, Cynthia Wimmer, 2002 Edited by Nathan Stucky and Cynthia Wimmer Teaching Performance Studies is the first organized treatment of performance studies theory practice and pedagogy This collection of eighteen essays by leading scholars and educators reflects the emergent and contested nature of performance studies a field that looks at the broad range of human performance from everyday conversation to formal theatre and cultural ritual The cross disciplinary freedom enacted by the writers suggests a new vision of performance studies a deliberate commerce between field and classroom *Successful Meetings*, 1997 **201 Great Ideas For Your Small Business** Jane Applegate, 2002 *PM Network*, 1997 **American Book Publishing Record Cumulative 1998** R R Bowker Publishing, 1999-03 *Who Gets Promoted, Who Doesn't, and Why, Second Edition* Donald Asher, 2014-05-06 A revised and updated edition of the career advancement guide that advocates working smarter not harder from one of America's premier career consultants Do your job do it well and you'll be

rewarded right Actually probably not According to career guru Donald Asher advancement at work is less about skillsets and more about strategy The revised and expanded edition of WHO GETS PROMOTED WHO DOESN T AND WHY details exactly what puts one employee on the fast track to an exceptional career while another stays on the treadmill to mediocrity Whether you re new to the workforce repairing a recession damaged career or feeling stagnant and overlooked at work this book is your ticket to advancement Learn why timing is more important than talent how corporations actually make promotion decisions how to avoid career mistakes you don t even know you re making what women in the workforce particularly need to know and the twelve proven strategies for promotion regardless of your industry and experience If you want to know how to control your career destiny the solution is to work smarter not harder WHO GETS PROMOTED WHO DOESN T AND WHY will help you do just that *The Publishers Weekly* ,1997 *Getting Started in Consulting* Alan Weiss,2003-12-19 A new revision of the successful guidebook for novice consultants *Getting Started in Consulting* Second Edition provides practical solutions and proven strategies for launching a consulting business Readers will learn how low overhead and a high degree of organization can translate into a six figure income working from a home office The book also offers key information on how to finance a consulting practice how to write proposals how to set up billing and bookkeeping and more A new chapter also explains how to get started quickly for those who can t wait to generate cash flow or those who have a cash reserve they are immediately willing to commit Alan Weiss East Greenwich RI has consulted with hundreds of organizations around the world including Mercedes Benz Hewlett Packard Merck and the Times Mirror Group He lectures widely and is the author of 12 books **Automotive Manufacturing & Production** ,1997 *Forthcoming Books* Rose Arny,1997-04 *Computerworld* ,1997-10-06 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **For the Family?** Sarah Damaske,2011-08-01 In the contentious debate about women and work conventional wisdom holds that middle class women can decide if they work while working class women need to work Yet even after the recent economic crisis middle class women are more likely to work than working class women Sarah Damaske deflates the myth that financial needs dictate if women work revealing that financial resources make it easier for women to remain at work and not easier to leave it Departing from mainstream research Damaske finds three main employment patterns steady pulled back and interrupted She discovers that middle class women are more likely to remain steadily at work and working class women more likely to experience multiple bouts of unemployment She argues that the public debate is wrongly centered on need because women respond to pressure to be selfless mothers and emphasize family need as the reason for their work choices Whether the decision is to stay home or go to work women from all classes say work decisions are made for their families In *For the Family* Sarah Damaske at last provides a far more nuanced and richer picture of women work and class than the one

commonly drawn **Work, Family, and Leisure** Robert M. Orrange, 2007 Work Family and Leisure explores the plans and aspirations of twenty something law and MBA students for work family and leisure Through in depth interviews Robert Orrange captures the hopes dreams anxieties and fears that these professional school students have about their own personal futures By placing the study in the context of major late 20th century social transformations Orrange illuminates the complexity and uncertainty of the life planning process in today s risk society These future professionals expect to achieve solid success in their careers but are wary of the demands and uncertainties associated with the big time However the men and women also seem to hold asymmetrical views about equality in marriage and some of the women envision that they may end up relying upon friends as a family support system In spite of these uncertainties most of these future lawyers and business professionals hope to derive satisfaction and meaning through their families and they anticipate integrating leisure time with spouses and children as opposed to colleagues and clients Their privatized images of the good life define a life politics that seemingly eschews commitments to the larger societal community a stance that may prove unsustainable in light of the growing economic risks confronting the middle class today In the end Orrange argues that the professional middle class may have to emerge from their private havens and champion the cause of a good society for all if they are to preserve their own cherished way of life **Twin Towers Los Angeles** Insung Philip Cho, 2013-10-04 Red brick Cold steel White concrete These are the building blocks of Twin Towers It is the largest mental health facility in the world What happens inside Who ends up as inmates Who runs the facility The book Twin Towers Los Angeles follows the life of Peter Jo for a year Peter used to be a professional with an MBA from UCLA He has experienced the best in life wearing custom clothes eating at posh restaurants and living in upscale neighborhoods How does Peter go from living the dream to serving time in Twin Towers He lives a mundane life in Pasadena He then meets a woman Anna Who is she Where does she come from What does she want Peter falls under Annas influence Peter ends up breaking the law His punishment is time in Twin Towers In Twin Towers Peter is faced with many challenges The most important one is survival Who can he trust What is life really like inside the walls of Twin Towers He quickly learns the rules and the politics that govern life inside with the many gangsters of Los Angeles One wrong move can cost him his life Besides the obstacles of jail Peter has to deal with his mental illness He sees and hears what others dont Are they visions Are they messages from a higher being Does he see the future *Kiplinger's Personal Finance* , 2000-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **The ^AOxford Handbook of**

White-Collar Crime Shanna R. Van Slyke, Michael L. Benson, Francis T. Cullen, 2016-03-01 The Oxford Handbook of White Collar Crime offers a comprehensive treatment of the most up to date theories and research regarding white collar crime Contributors tackle a vast range of topics including the impact of white collar crime the contexts in which white collar crime occurs current crime policies and debates and examinations of the criminals themselves The volume concludes with a set of

essays that discuss potential responses for controlling white collar crime as well as promising new avenues for future research

Retiring Teresa M. Amabile, Lotte Bailyn, Marcy Crary, Douglas T. Hall, Kathy E. Kram, 2024-10-02 Retirement as a major life transition can be both thrilling and challenging in unexpected ways Written by acclaimed authors in the fields of business leadership careers and work this book goes beyond the typical financial and health related advice on retirement providing insights to guide you in broader areas of your life identity issues relationship challenges and questions about creating a new retirement life structure that works for you With lively engaging writing the book tells the detailed retirement transition stories of 14 people and draws on over 200 interviews with 120 people to explore how retiring involves a reconstruction of both the person and their life structure You ll gain wisdom on the common themes and the wildly different approaches people take to the four big tasks of retiring making the retirement decision detaching from work both tangibly and psychologically building a new life structure for retirement and settling into a relatively stable retirement life but prepared to restructure again as life unfolds into the future Throughout each chapter you ll see how the dynamic interplay of self life structure and external context affect a retiring person s day to day experience in the final months of their career as well as their early years of retirement and how life satisfaction depends largely on alignment among the three At the same time you ll learn how family friends and colleagues as well as the organization the person is retiring from can play a crucial role This book is for you if you are seeking deep nuanced insight into and practical advice on the psychological social and life restructuring aspects of retirement that can make all the difference for life satisfaction It is also for you if you are a family member or friend of a retiring person a helping professional or an organizational leader who cares about your older workers and the value they bring to your organization even as they depart
