

A black and white photograph of a classroom. In the foreground, a young girl is looking up and to the left with an open mouth, as if speaking or singing. She is wearing a light-colored shirt. To her right, another child is partially visible, also looking in the same direction. In the background, other children are seated at desks, some looking towards the camera and others looking away. The classroom has a simple, functional appearance with desks and chairs. The text "A new social compact must put children at the centre of South Africa's national development" is overlaid in the center of the image in a bold, white, sans-serif font.
