The Origins of Universal Grants J. Cunliffe,G. Erreygers,2004-11-30 Should all young adults receive a capital grant Should all individuals be given a lifetime regular income Would either form of payment be just or unjust These questions figure prominently in recent social philosophy and policy discussions on stakeholding and basic income Both types of proposal have a long but largely unknown history This anthology contains a wide variety of historical contributions some of which are presented in English for the first time highlighting striking parallels between past and present debates

Social Discredit Janine Stingel,2000 In Social Discredit Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians acknowledged the perils of race

hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit s anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit s blatant defamation She argues that Congress s ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada Social Discredit offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies

A Kingdom on Earth Paul T. Phillips,1996 Social Christianity was a major force in the life of the United States Canada and Britain for more than sixty years beginning in the closing decades of the Victorian age As a tide of concern swept through Protestantism in the face of mounting social ills Social Gospellers and Christian Socialists urged a less competitive more compassionate society They pioneered in many fields of modern social science and actively engaged in social work and party politics In A Kingdom on Earth Paul T Phillips provides an unusually broad view of the movement from both sides of the Atlantic including the usually neglected Canada He is also unique in carrying the story up to 1940 thereby tying Social Christianity to the origins of the welfare state Using a wide range of sources A Kingdom on Earth places the activities of Social Christians firmly in the social and cultural contexts of the day Phillips s analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves In spite of these worldly aspects however Phillips finds that the inspiration and essence of the movement were essentially religious

Anarchist Seeds beneath the Snow David Goodway,2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In Anarchist Seeds beneath the Snow David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world
