Social Problem Solving And Offending Evidence Evaluation And Evolution:

Social Problem Solving and Offending Mary McMurran, James McGuire, 2005-09-27 The evidence for social problem solving deficits being relevant to the understanding and treatment of offending behaviour has been accumulating since the 1980s Reasoning and Rehabilitation R R the first structured cognitive behavioural treatment programme used widely with prisoners included social problem solving as a key component and is now in use worldwide More recently interventions that focus specifically on social problem solving have recently been developed Arranged in three parts evidence evaluation and evolution and exploration this book draws together aetiological and therapeutic research evidence and practice over the last twenty years in social problem solving with offenders **Handbook of Cognitive-Behavioral Therapies, Third Edition**

Keith S. Dobson, 2009-11-12 This book has been replaced by Handbook of Cognitive Behavioral Therapies Fourth Edition ISBN 978 1 4625 3858 4 *Advances in Psychology and Law* Brian H. Bornstein, Monica K. Miller, 2016-10-12 As with its esteemed predecessor this timely volume offers ways of applying psychological knowledge to address pressing concerns in legal procedures and potentially to reduce criminal offending In such areas as interrogations expert testimony evidence admissibility and the death qualification process in capital trials contributors offer scientific bases for trends in suspect witness and juror behavior and identify those practices liable to impinge on just outcomes Recommendations span a wide range of research practice and policy areas from better approaches to assessment to innovative strategies for reducing recidivism The interdisciplinary perspectives of these chapters shed salient light on both the reach of the issues and possibilities for intervening to improve the functioning of the justice system Among the topics covered The validity of pleading guilty The impact of emotions on juror judgments and decision making The content purpose and effects of expert testimony on interrogation practices and suspect confessions A synthetic perspective on the own race bias in eyewitness identification Risk reducing interventions for justice involved individuals Criminal justice and psychological perspectives on deterring gangs As a means to spur research and discussion and to inspire further collaboration between the fields Volume 2 of *Advances in Psychology and Law* will interest and intrigue researchers and practitioners in law psychology as well as practicing attorneys trial consultants and clinical psychologists **Crime Linkage** Jessica Woodhams, Craig

Bennell, 2014-10-27 The increasing portrayal of forensic investigative techniques in the popular media CSI for example has resulted in criminals becoming forensically aware and more careful about leaving behind physical evidence at a crime scene This presents law enforcement with a significant problem how can they detect serial offenders if they cannot rely on p

The Oxford Handbook of Criminology Rod Morgan, Mike Maguire, Robert Reiner, 2012-04-12 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple Os **Personality, Personality Disorder and Violence** Mary McMurran, Richard Howard, 2009-03-12 Presents the evidence base for links between personality traits psychological

functioning personality disorder and violence with a focus on assessment and treatment approaches that will help clinicians to assess risk in this client group An evidence based examination of those personality traits and types of psychological functioning that may contribute to personality disorder and violence and the links that can be made between the two Each chapter tackles an area of personality or psychological functioning and includes a developmental perspective discussion of how to gauge risk and an outline of effective treatments Traits covered include impulsivity aggressiveness narcissism and the Big Five neuroticism extraversion openness agreeableness and conscientiousness New for the prestigious Wiley Series in Forensic Clinical Psychology a market leader with more than 20 000 books in print **Forensic Mental Health** Mary McMurran,Najat Khalifa,Simon Gibbon,2013-01-11 This book provides a concise introduction to the increasingly important field of forensic mental health It aims to set out both the key concepts in forensic mental health as well as the way the discipline operates in the broader context of criminal justice and mental health care systems It will provide an ideal introduction to the subject for students taking courses in universities and elsewhere for mental health practitioners in the early stages of their careers and for professionals from other agencies needing an informed and up to date account of forensic mental health

Theories of Sexual Offending Tony Ward,Devon Polaschek,Anthony R. Beech,2006-02-22 This comprehensive text provides an up to date review and critique of current theorising about sexual offending It presents the key ideas underpinning each theory in a clear and accessible manner Theories are rigorously tested and evaluated and their merits are examined from both a research and a clinical point of view Importantly the emphasis is on providing clear links between theory and practice and the clinical implications of the different theories and perspectives are explicitly discussed In addition a number of new ideas about the aetiology of sexual offending are presented Theories of Sexual Offending is one of the few books to draw all of the disparate strands of theorising together and is the only one to clearly link theory to practice It will be a valuable resource for any professional working with sexual offenders such as clinical and forensic psychologists psychiatrists probation officers and social workers It will also be of interest to students of forensic and clinical psychology

Correctional Counseling and Rehabilitation Patricia Van Voorhis,Emily J.
