Financial Aid through Social Work Michael P. Jackson, B. Michael Valencia, 2024-12-06 Financial Aid through Social Work 1979 examines the way in which financial aid through social work has been used and the

consequences of such use Beginning with an examination of the historical and comparative background the book looks at the decisions made by social workers on financial aid and the way in which they are arrived at Among the questions examined are the extent to which there is any well defined policy on financial aid the overlap between the work of social work departments and other agencies and the effect that financial aid has on the relationship between clients and social workers

The Welfare State Crisis and the Transformation of Social Service Work Michael Fabricant, Steve F. Burghardt, Irwin Epstein, 2016-09-16 This book has emerged in response to social service workers vivid descriptions of changes in the practice of their craft during the past 15 years and to the scanty literature that addressed their concerns Few works have attempted to explore the interplay between the recent broader changes affecting the welfare state fiscal crisis cost containment privatization etc and the restructuring of social service work Yet it is clear that the fiscal decisions of the 1980s profoundly affected both the context and content of social service practice The Welfare State Crisis and the Transformation of Social Service Work explores how these larger forces have created significant changes for the line practitioner The greater push for caseload volume in the face of resource scarcity is redefining service encounters in ways that are more likely to meet the fiscal needs of the agency rather than the service needs of clients and the professional concerns of the worker In short the fiscal crisis of the past two decades has placed the enterprise of social services at risk After empirically documenting the seriousness of the risk The Welfare State Crisis and the Transformation of Social Service Work concludes with an exploration of new social service practice strategies that have the potential to integrate the individual organization communal and social changes necessary for effective service interventions

Social Work with Families Eric Sainsbury, 2023-08-09 Originally published in 1975 and based on a study of the memories and perceptions of twenty seven families known to a Family Service Unit and of their most recent social workers this book was an important contribution to our knowledge of consumer opinions of the social services at the time In particular it draws attention to factors relevant to the evaluation of social work practice and to the definition of success The family members describe for themselves by means of extracts from tape recorded interviews what it feels like to have problems to be referred for help in short to be a client They give an account of the help they have received and define the personal attributes and activities which they have found helpful and appropriate in social workers This book would have been of special value to social workers to social work students and to all those concerned with social policy and administration Today it can be read in its historical context

International Social Work Research Tony Tripodi, Miriam Potocky-Tripodi, 2006-07-27 With the constant exchange of international information now a permanent condition in the world social work scholars and students must be sensitive to the need for knowledge sharing between countries as well as to issues involved in obtaining and utilizing international knowledge Yet until now no book has juxtaposed these two growing streams of emphasis In this clearly written volume Tony Tripodi and Miriam Potocky Tripodi fill that gap presenting readers with the many prospects and great potential for international social work research The

authors establish three discrete varieties of research supra national intra national and trans national and explore a wealth of issues and examples within each The easy to follow format helps readers learn how to define and distinguish each kind of research then provides actual applications of all three Examples draw on research from the world over and range from microcredit programs in India to migrant aid in Nicaragua to adoptees in Romania These unique features make it an ideal sequel to basic research texts in social work and supplement to texts on international social work but also an attractive addition to any faculty researchers bookshelf Modernising Social Services in Spain Designing a New National Framework
