Society And Knowledge:

Society and Knowledge Vere Gordon Childe, 1973 *Understanding the Knowledge Society* Andrea Cerroni, 2020-05-29
Complex knowledge and ideas are generated shared and accessed globally Andrea Cerroni turns to this knowledge society to offer a comprehensive social theory of its processes to bridge the gap between knowledge and democracy Drawing on a long term historical perspective Cerroni assembles a cultural matrix comprising ancient myths on nature society and knowledge and modern myths of reductionism individualism and relativism to improve our contemporary sociological imagination

Nico Stehr: Pioneer in the Theory of Society and Knowledge Marian T. Adolf, 2018-05-14 This unique volume brings together a selection of the most important texts of Nico Stehr for the first time and puts them in dialogue with original research that draws on his prolific work Covering five decades of pioneering sociological research on the theory of society and knowledge the book introduces the reader to Stehr's seminal inquiries into the economic political and social role of knowledge Original concepts such as his groundbreaking studies on the Knowledge Society are introduced as the volume traces Stehr's pursuit of social scientific research as a source of practical knowledge for modern society The book comprises three parts devoted to the many facets and the remarkable range of Nico Stehr's oeuvre Part 1 provides an introduction to the significance of his pioneering work and career Part 2 demonstrates the practical application of Nico Stehr's research as seen through the eyes of eminent scholars Part 3 presents a selection of the milestones of his publications **Society and Knowledge** Donald N. Levine, 2017-07-05 The sociology of knowledge is generally seen as part of the sociology of cultural products Along with the sociology of science it explores the social character of science and in particular the social production of scientific knowledge Knowledge in all its varieties is of crucial importance in social political and economic relations in modern society Yet new realities the editors argue in their introduction to this second edition require a new perspective In the past half century the social role of knowledge has changed profoundly The natural attitude toward scientific knowledge in science that assigned a special status to science's knowledge claims has lost its dominance and the view that all knowledge is socially constructed has gained general acceptance Science increasingly influences the political agenda in modern societies Consequently a new political field has emerged knowledge politics These fourteen essays by social scientists philosophers and historians cover fundamental issues theoretical perspectives knowledge and power and empirical studies Eight of the fourteen contributions were part of the first edition of *Society and Knowledge* published in 1984 and most of these have been updated and revised for this new edition Included in this edition are six new contributions by Robert K Merton Steve Fuller Dick Pels Nico Stehr Barry Schwartz and Michael Lynch This second revised edition builds on its predecessor in presenting cutting edge theoretical and empirical efforts to transform the sociology of knowledge Professionals policymakers and graduate students in the fields of sociology political science and social science will find this volume of interest and importance **Society and Knowledge** V. Knowledge Society vs. Knowledge Economy S. Sörlin, H. Vessuri, 2007-02-05 A new collection in the IAU Issues in Higher Education Series that deals with the major tensions between education and science Drawing on experiences from a range of countries and regions the book demonstrates the need to find new avenues for the management of knowledge production to ensure that it can meet increasingly global goals and demands **The Knowledge Society** Gernot Böhme, Nico Stehr, 2012-12-06 The original essays collected here under the general title of The Knowledge Society were first commissioned for a conference held in the late fall of 1984 at the Technische Hochschule Darmstadt West Germany The conference in Darmstadt saw a larger number of contributions presented than could be accommodated in this edition of the Sociology of the Sciences Yearbook However all contributions were important and affected those published in this collection

We are therefore grateful to all participants of the Darmstadt conference for their presentations and for their intense useful as well as thoughtful discussion of all papers Those chosen for publication in the Yearbook and those undoubtedly to be published elsewhere have all benefitted considerably from our discussions in Darmstadt which also included a number of the members of the editorial board of the Yearbook In addition we are pleased that the authors were able to read and comment further on each other's papers prior to publication As is the case in every endeavor of this kind we have incurred many debts and are only able to acknowledge these at this point publicly while expressing our sincere thanks and appreciation for all the intellectual support and the considerable labor invested by a number of persons in the realization of the collection
