Ma, 2024-09-30 This Handbook provides an accessible resource for all social work students educators practitioners and policymakers to increase their knowledge and understanding of how research into the diversity and impact of child and family social work interventions might underpin and drive policy and practice Divided into six sections The Context of Child and Family Social Work Research Preventive and Reparative Responses to Children and Families Child Maltreatment Causes Consequences and Responses Alternate Care as an Approach to Safeguarding Children and Young People Intervention Therapeutic Responses to Vulnerable Children Youth and Families Child and Family Social Work in the Global Context and comprising 52 newly written chapters by experts in the field it provides a foundational overview of the field of child and family social work including defining concepts sentinel historical milestones and the scope of practice It also identifies developments in auxiliary fields such as neuroscience psychology education health poverty and media By illustrating diverse research endeavours in parenting maltreatment prevention child protection and substitutive interventions including foster care residential care adoption and juvenile corrections and elaborating child welfare research methods measures and impacts on practice it analyses evidence based interventions and policies in early intervention child protection child placement adoption and advocacy It will be required reading for anyone working in social work and child protection

Ethical Research with Children Sarah Richards, Jessica Clark, Allison Boggis, 2015-10-26 An increasing interest in children's lives has tested the ethical and practical limits of research Rather than making tricky ethical decisions transparent researchers tend to gloss over stories that do not fit with sanitized narratives This book aims to fill this gap by making explicit the lived experiences of research with children **Understanding Children's Personal Lives and Relationships**

Hayley Davies, 2016-04-29 Informed by ethnographic research with children Davies offers new sociological insights into children's personal relationships as well as closely examining methodological approaches to researching with children and researching relationships *Critical Children's Rights Studies* Valeria Llobet, Didier Reynaert, Afua Twum-Danso

Imoh, Wouter Vandenhoe, 2025-06-13 The field of children's rights studies is well established and largely dominated by a top down approach that considers these rights as objective standards requiring implementation in practice or policy This book

argues for a critical perspective which views the area as contested terrain with conflicting normative foundations and traditions The collection brings together established and rising scholars whose work has been central to not only challenging mainstream children s rights discourses but also provides alternative pathways to conceptualizing children s rights It moves beyond critiques of these dominant discourses and sets out the emerging paradigm of Critical Children s Rights Studies drawing on contexts in both the Global North and Global South It proposes new pathways and subjects these to scrutiny illuminating the importance of contextual situatedness and acknowledging the need to consider researchers own positionality when outlining their stance on children s rights Containing both empirical and theoretical scholarship the book will be an essential resource for students academics researchers and policy makers working in the multidisciplinary areas of childhood studies children s rights studies and international human rights

**Children, Family and the State** Thomas, Nigel, 2002-10-11 Children family and the state examines different theories of childhood children s rights and the relationship between children parents and the state

**Social Work in Europe** Charlotte Williams, Mekada Graham, 2013-09-13 It is an acknowledged if not accepted fact that all European societies are being fundamentally transformed and indeed perceptively unsettled by increased migrations across nations and by the asserted presence of established minorities within their borders The scale and speed at which these transformations have taken place have brought in their wake considerable social impacts and no small measure of fear and anxiety Encounters with such diversity are part and parcel of the social work task and learning how to negotiate them should be a de facto aspect of the training and continuous professional development of social workers and other social professions However the moral and political dimensions of the role scope and nature of the social work task in responding appropriately to these changed and changing realities are rather more contested This volume addresses many dimensions of the response to issues of race and ethnicity in social work practice in Europe It extends the debates on inter cultural and race equality practice in social work through a stimulating and innovative collection of contributions This book was originally published as a special issue of the European Journal of Social Work

**Research in Education** , 1971
