

ANOMIE

Anomie in individuals and society is a condition of instability and disintegration. It stems from the breakdown of previously shared norms and values that regulated social (inter)actions.

EXAMPLES

- 1 People living in high-rise residencies feel disconnected from one another and struggle with loneliness.
- 2 People engage in organized theft because they do not have other ways of accumulating wealth.
- 3 Individuals resorting to criminal activities (e.g., looting) during times of war or military occupation.

CAUSES OF ANOMIE

1. Loss of one's sense of social belonging
2. Breakdown of social norms that keep people united
