Spiders in the House and Workers in the Field Ernesto Galarza, 1970 The encounter 1947 Poverty in the valley of plenty 1949 Vindication and some fringe benefits 1950 Ten years the strategy of resistance 1950 1959 Won't you come into my parlor 1960 The trial of a dead documentary 1961 Libel through the camera's eye The perils of a press release Digorgio on trial 1964 The principle of the thing The trial of an unreported report 1966 After twenty years 1968 The broken web *The Countryside in the Age of the Modern State* Catherine McNicol Stock, Robert D. Johnston, 2018-05-31 However urban the nation has become Catherine McNicol Stock and Robert D Johnston write twenty percent of its citizens still live outside major metropolitan areas Moreover rural economic activity agricultural extractive recreational and industrial has an enormous impact on the nation's overall economic well being The stories of contemporary rural people still have the power to move us They reflect the values dreams and ideals at the core of the economically racially and ethnically diverse American experience *The Countryside in the Age of the Modern State* moves rural history into explorations of modern politics diverse rural peoples and their complex relationships to the American state in the twentieth century The volume's contributors examine African American progressive farm organizers the experiences of Caribbean and Mexican farm laborers agrarian intellectuals in the New Deal the politics of land and landscape in the Rocky Mountain west and the origins of today's rural political movements

In the Struggle Daniel J. O'Connell, Scott J. Peters, 2021-07-13 Scholars working for communities rights in California's Central Valley *In the Struggle* tells the story of the persistent engagement of eight public scholars spanning generations of sustained endeavor a dogged war in which workers and scholars together repeatedly took on the powerful agricultural industry the political machines and even the universities The stories begin in the 1930s with Paul Taylor a professor of economics at University of California Berkeley who pioneered field research and activism as he travelled through the areas marked by the Great Depression together with his wife photographer Dorothea Lange Working in the heart of California's agricultural Central Valley Taylor was the first of a succession of scholars who shared the dual commitment to research and engagement to making problems visible and to effecting change through strategic action Taylor and Lange intentionally wove their political engagement into their identities and work as researchers as they conducted studies led strikes organized underserved communities founded community development programs created nonprofit institutions and more This book documents a tradition of politically engaged scholarship in one of the world's most dramatic contexts full of disparities and contradictions but also ripe with opportunities to make a difference It covers a struggle that continues undiminished in the present **Farm Worker Futurism** Curtis Marez, 2016-06-17 When we think of literature and film about farm workers *The Grapes of Wrath* may come to mind but *Farm Worker Futurism* reveals that the historical role of technology especially new media has in fact had much more to do with depicting the lives of farm laborers Mexican migrants in particular in the United States From the late 1940s when Ernesto Galarza led a strike in the San Joaquin Valley to the early 1990s when the United

Farm Workers UFW helped organize a fast in solidarity with janitors at Apple Computers in the Santa Clara Valley this book explores the friction between agribusiness and farm workers through the lens of visual culture Marez looks at how the appropriation of photography film video and other media technologies expressed a farm worker futurism a set of farm worker social formations that faced off against corporate capitalism and government policies In addition to drawing fascinating links between the worlds envisioned in UFW videos on the one hand and visions of Cold War geopolitics on the other he demonstrates how union cameras and computer screens put the farm worker movement in dialogue with futurist thinking and speculative fictions of all sorts including the films of George Lucas and the art of Ester Hernandez Finally Marez examines the legacy of farm worker futurism in recent cinema and literature contemporary struggles for immigrant rights management labor conflicts in computer hardware production and the antiprison movement In contrast with cultural histories of technology that take a top down perspective Farm Worker Futurism tells the story from below showing how working class people of color have often been early adopters and imaginative users of new media In doing so it presents a completely novel analysis of speculative fiction s engagements with the farm worker movement in ways that illuminate both
