Murray, 2014-02-04 Frank Sullivan an occasional contract employee of the CIA has been recruited again this time for work in an Iran where the Islamic revolution of 1978 79 is already well underway Frank's assignment is to work for the Agency under US Air Force cover while officially serving as a propaganda adviser to the Iranian military As Frank conflicts with an agency bureaucracy seeking field reporting that justifies Washington's already determined conclusions he gains a growing awareness of the inadequacy of American intelligence on the revolution's real nature And as he witnesses the overrunning of the American embassy by militants he realizes how intertwined his job has become with his life Trying to survive a chaotic civil war is the least of Frank's problems as he becomes involved in efforts to recruit a high level Russian KGB agent and to learn the identity of a mole back at Agency headquarters But the closer he gets to the objects he pursues the more likely it becomes that he won't make it out alive Set during the final days of the Shah and the consolidation of power under Ayatollah Khomeini Edmund P Murray's *The Peregrine Spy* is a stunning novel of a time and place that has never left the public conscious It is also a keenly told story of the inner workings of the CIA and the extent of its reach **Two Lies and a Spy** Kat Carlton, 2014-09-02 Sixteen year old Kari juggles saving her spy parents while impressing the guy she's been in love with forever *The German Spy* Richard G. Hole, He walked over to a closet sticking it to the right wall A hanging suit and a suitcase appeared before his eyes He fingered the suit without hearing the rustle of paper he expected He remembered very well that she had told him that he was carrying an envelope with instructions He opened the suitcase which appeared completely empty He gritted his teeth grunting a curse He began feeling the suitcase to no avail It was very simple and it was not possible to think of a double bottom Of course that had to be checked But in those moments he was paralyzed almost blinded by the light much more intense than that of the flashlight which had suddenly struck the room Then he heard the door to the room close quietly and a voice said Do not move I'm targeting you *The Civil War* Army Library (U.S.), 1961 *Love at First Spy- A Sapphic Romance Suspense* Mia C. Miller, 2025-03-17 This is a slow burn sapphic thriller that builds to a deliciously steamy romance between two lesbian protagonists who awaken their inner strength and rise together to confront and outwit their enemies When the long vacant apartment across the cobblestone path is suddenly occupied by a sexy and sophisticated woman in a perfectly tailored suit Chloe is instantly intrigued Her new neighbor Ezek exudes an air of mystery going out of her way to avoid Chloe's gaze But curiosity soon turns into obsession and Chloe cannot resist watching her aloof neighbor Chloe doesn't know that Ezek is no ordinary tenant she's a spy sent to protect Chloe from her grandfather's unstable and dangerously

jealous colleagues As secretive gestures and fleeting moments of connection spark a slow burning romance their growing bond catches the wrong kind of attention With twists and turns at every corner steamy encounters and danger building to a boiling point this story will capture your heart electrify your senses and uplift your soul **Book Dealers' Weekly** ,1925
