The goal is to raise the level of maintenance knowledge taking into account the continuous advancement of engineering and technology in all spheres of economy infrastructure and public services. This book contains papers presented at the 31st International Conference on Organization and Technology of Maintenance OTO 2022 held at Josip Juraj Strossmayer University of Osijek Faculty of Electrical Engineering Computer Science and Information Technology Osijek on December 12, 2022. The book brings 19 original papers written by authors from seven countries that underwent a blind review process by international review board members. The conference covers various topics like maintenance in technical systems, reliability of technical systems, design for maintainability, maintenance in agriculture, maintenance of machine elements, maintenance in the power systems, design optimization for maintenance, influence of maintenance on the environment, employee safety, maintenance and artificial intelligence, maintenance and the new product design. The papers presented in the book reflect the current state of approach to maintenance as an interdisciplinary field. The OTO conference proved itself as an ideal opportunity for communication between scientists and experts in maintenance practice with the aim to raise the level of expertise and introduce new methods and maintenance procedures into everyday practice [The Complete Book of Striped Bass Fishing](#) Nick Karas, 2016-02-16 From legendary fisherman and outdoors writer Nick Kara comes a comprehensive look at every aspect of the striped bass. It's essential reading for beginners and anyone whose spent a lifetime casting for stripers. Striped bass in fresh and salt water are one of the world's greatest gamefish and *The Complete Book of Striped Bass Fishing* is the fullest, most authoritative, most helpful book ever written on the species. Nick Karas, one of the world's great experts on the striped bass, offers proven techniques for more successful fishing. He details fishing from the surf, from boats, from bank, pier, jetty and bridge with all kinds of tackle and methods. And he takes an especially careful look at the growing popularity of fly rodding for stripers, fishing at night and even how to catch striped bass in fresh water. An entire section of the book is devoted to tackle where he takes a thorough look at the best rods, reels, lines, hooks, live and natural baits, artificial lures, accessory equipment of all kinds, bass boats and the most innovative and practical beach vehicles.
