

Spirit Healing

A woman with long dark hair is sitting in a meditative lotus position. She is wearing a light blue long-sleeved crop top and dark blue pants. Her hands are resting on her knees in a mudra. Behind her is a large, bright blue glowing ring of energy. The background is a dark space filled with streaks of light and smaller glowing rings. The overall atmosphere is spiritual and ethereal.

Healing Cultures Nirekha De Silva, 2023-10-12 This book showcases the diverse range of healing cultures and explores how government action can have an impact through determining promoting protecting or destroying traditional cultural aspects of healing and wellbeing based on a case study of Sri Lanka It argues that diverse forms of healing practices matter not only because of their value in the health and wellbeing of the community but also because they

strongly contribute towards the intangible cultural heritage of the country Identifying the diverse forms of healing practices existing in the country and the role of the existing regulatory mechanisms determines the potential for protecting the diversity of healing Despite Sri Lanka being historically rich in traditional knowledge and expression very little if anything has been written on regulating traditional practices related to health and wellbeing in the country a lacuna which this volume fills
