Just Walk Across the Room Bill Hybels, 2008-09-09 What if you knew that by simply crossing the room and saying hello to someone you could change that person s forever Just a few steps to make an eternal difference It has nothing to do with methods and everything to do with taking a genuine interest in another human being All you need is a heart that s in tune with the Holy Spirit and a willingness to venture out of your Circle of Comfort and into another person s life Just Walk Across the Room brings personal evangelism into the twenty first century Building on the solid foundation laid in Becoming a Contagious Christian Bill Hybels shows how you can participate in the model first set by Jesus who stepped down from heaven 2 000 years ago to bring hope and redemption to broken people living in a fallen world Now it s your turn Your journey may not be as dramatic but it can have a life changing impact for someone standing a few steps away from you and for you as well as you learn the power of extending care compassion and inclusiveness under the guidance of the Holy Spirit The highest value in personal evangelism is cooperating with the Spirit says Hybels This means playing only the role you re meant to play walking when the Spirit says to walk talking when he says to talk and falling silent when he suggests that you ve said enough Hybels encourages you to live in 3D Developing friendships Discovering stories Discerning appropriate next steps as a means of learning to understand the Holy Spirit s promptings With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry Bill Hybels shows with convincing and inspiring clarity the power of this personal richly relational approach to evangelism The stakes are high The implications are eternal And you may be only a conversation away from having an eternal impact on someone s life if you will just walk across the room

nature and being barefoot in the Bible refers to being in God's presence. That lends intimacy to the very meaning of being barefoot. My intention is that we can connect with the simplicity of wearing shoes as we become aware of our spiritual nature in Christ.
