

A TWO-SPIRIT JOURNEY

@BDAPUBLISHING

A Two-Spirit Journey is Ma-Nee Chacaby's extraordinary account of her life as an Ojibwa-Gree lesbian. From her early, often harrowing memories of life and abuse in a remote Ojibwa community riven by poverty and alcoholism, Chacaby's story is one of enduring and ultimately overcoming the social, economic, and health legacies of colonialism.

Boyer, 2025-10-22 The adjective spiritual refers to aspects of one's spirit The idea that each person possesses an immaterial and immortal soul which is distinct from the body did not appear in Jewish biblical literature before the Babylonian exile After interacting with Persian and Hellenistic philosophies the word nephesh entered Hebrew meaning living being not the dichotomous Hellenistic meaning Thus the biblical soul refers to a living breathing conscious body According to biblical literature God like a potter formed people from clay dirt and breathed divine breath into them Spiritual oxygen refers to the divine breath or spirit given to all living beings The Hebrew word ruah which can be translated into English as breath spirit or wind means that everything that breathes is inspirited When a person breathes the colorless and odorless gas known as oxygen one is simultaneously inhaling spirit Thus biblical spirituality is the process of living one's life in relationship with God while breathing deeply of the divine spirit Biblical spirituality for the twenty first century consists of

spirits humans living and breathing Spirit God and being aware of the divine presence in which one lives and moves and has his or her being This book explores that process
