Spirit Town:

Ghost Town Jason Hawes, Grant Wilson, Tim Waggoner, 2012-10-09 From the stars of the SyFy network's popular show *Ghost Hunters* the second novel in a new spine tingling series When Amber Drew and Trevor are invited to a paranormal conference they confront a murderous ghost and her human servant Amber's abusive ex boyfriend Mitch *Ghost Town: A Venice California Life* Pat Hartman, 2004-11-18 Visit [VirtualVenice info](#) Pat Hartman's first book *Call Someplace Paradise* was concerned with the public face of Venice California the boardwalk and boutique Venice visited by between one and two hundred thousand tourists each weekend *Ghost Town* is about the other Venice There is a book genre described by Russ Rymer as inspecting America's racial trauma through the lens of private experience as it plays out in the daily difficulties of particular persons in one or another microcosmic place Here the microcosm is Oakwood a hotbed of diversity and danger called *Ghost Town* by its own citizens The particular persons are a white single mother age 30 and her 11 year old half black daughter along with a stellar cast of roommates boyfriends and neighbors *Ghost Town: A Venice California Life* is a psychological adventure story that takes place in a challenging environment where many people would never consider trying to live Much has been said and written about racial dynamics by people who however well informed and well intentioned may talk the talk but haven't walked the walk Whether by lack of inclination or of opportunity many experts on race relations have never actually lived in a racially mixed neighborhood let alone where their own group is a minority In an environment that forces thought about race issues every single day it's a different world How are attitudes about race formed Why is it that even the most willing participants of the melting pot sometimes can't take the heat These and other questions are precisely as relevant now as they were in the period covered here 1978-84 Unfortunately the subject of race will probably continue to be relevant into the next millennium and beyond given that the human race as a whole is still around that long Despite being burglarized mugged vandalized menaced caught in the black chicano crossfire and visited by men in suits who travel in pairs the author found existence in Oakwood rewarding and positive in many ways Film director Barbet Schroeder who lived in Oakwood during the same time period told an interviewer it was the best year of my life so far Like the diary of Samuel Pepys in London like Alexander King's memoirs of Greenwich Village *Ghost Town* is a record of a fascinating and frightening urban environment through the eyes of an articulate and meticulous observer Visit [VirtualVenice info](#) **Ghost Town** Joan Lowery Nixon, 2008-12-24 For fans of Gillian Flynn Caroline Cooney and R L Stine comes *Ghost Town: Seven Ghostly Stories* from four time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon In the old towns of the Wild West there's more to hear than the paint peeling from the deserted storefronts more than the tumbleweeds somersaulting down the empty streets If you listen hard you can hear voices whispering stories Stories like the one about the lost mine in Maiden Montana or how Wyatt Earp won the shoot out at the O K Corral in Tombstone Arizona And don't forget about the Bad Man from Bodie California he's still searching for his lost finger Can you hear them An entertaining collection School Library Journal
