Evans, 2024-07-06 Denying Jesus Christ the Son of the Living God is the greatest mistake the entire world has made in the past and present and will continue to make in the future Without Jesus Christ as Lord and Savior in one s life how can a person live coexisting with spirit beings known as demons wicked spirit persons who have inhabited the earth the entire time mankind has been on earth Yet the world lives as though we don t coexist with spirit beings and to reject or deny the only person whom these spirit beings obey is like living without a cause People the world in general it s imperative to acknowledge that demon spirits have invaded human bodies Demonic forces whom we can t see nor control are in control of multitudes of human lives which have persons in spiritual warfare with invisible demons as enemies in mankind and fighting a battle within themselves and against others like themselves These demons which are also named evil spirits are in human bodies as demon control spirits sometimes called devils as they became dominant spirit forces Demons have been assigned to us in the body of humankind to harm kill and destroy lives by any means Demons have been assigned to our children to possess as their own to harm steal or destroy lives and family livelihood The power of Jesus Christ s name provides protection for all mankind in the spirit realm believers as well as nonbelievers **Revelation of Jesus Christ** Grace Chung, 2025-08-25 I was raised by my mother and my

grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God s explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all *The Spirit of Hamptons Vineyards* Paula Timpson, 2002-08-28

Donald Evans,2020-01-31 People of all genders and ages of the nation and all nations throughout the land is at war with invisible spirit beings spirit enemies demonic forces and demon spirits within themselves internally and externally in spiritual warfare living and fighting among demonic forces in all areas of life without one s knowledge Demon spirits are not made of flesh and blood They are the invisible enemies in the physical realm and biologically in the spirit realm Demonization covers all area of human lives and all levels of governments even our own The weeds and the wheat describe how demonization has some of the world population literally believe they are the opposite sex Some male genders literally believe they are the opposite sex Some female genders literally believe they are the opposite sex And some of both genders believe he or she are of both genders which classifies them as bisexual or having orientation to person of either sex This means demonization has brought spiritual conflict upon nations throughout the land Only Jehovah God s Word the Holy Bible can we mankind have victory over the invisible spirit enemies adversaries of the earth and in our governments at all levels A catechism on the Lord's Prayer, for the use of parents, teachers, and guardians, in the religious instruction of children. Chronicles: The Tale of Enlightenment Jake R. C. Wells,2022-05-19 As the Endellion Emperor s daughter Althea Crimsonheart is expected to train in the ways of the enlightenment Where Althea struggles in her training her friend Jidan excels To aid their training Althea and Jidan s mentor sends them on a journey to a wise sage rumoured to have achieved enlightenment Meanwhile Endellion is at war with Ormillia a neighbouring kingdom while the spir ts shun their people Meeting friends and foes along their journey Althea and Jidan discover startling truths about the world they thought they knew When many forces collide those caught between will be forced to make tough choices and learn how to steer the wheel of their own destiny **All Manner of Things** Jeffrey A. Vogel,2023-01-27 The meditations in this collection originated from a series of questions about suffering death and eternal life put to the author by a friend who was dying from cancer These questions included How do we wait upon God and cancer at the same time What do we know of the God to whom we go when we experience only the silence of God in our suffering How do we long for heaven when what we want most is to continue on with our families and loved ones in this life Is heaven removed from this world Does the joy associated with it depend on ignorance of the suffering of those we leave behind And so on The meditations themselves are not intended primarily as answers to these questions so much as an attempt to enter into them more fully the goal being to think about how we might best inhabit those places where doubt and faith grief and hope forsakenness and grace are so often made to coexist For though the tension between suffering and hope cannot ultimately be resolved in this world we can look for ways to stand within it a little more boldly and to fall within it a little more boldly as well We can seek out words or images that allow us to speak about it a little more clearly a language that helps us to find rest in our longing and perhaps also longing in our rest
