

A person with a backpack is walking away from the camera on a long, narrow wooden bridge that stretches into the distance. The bridge is made of wooden planks and has a railing on the right side. The background shows a river, trees, and a small building under a warm, hazy sky, suggesting a sunset or sunrise. The overall mood is contemplative and serene.

Divided into six sections including practice research policy and training the project brings together international contributions from scholars in the field to provide a unique and stimulating resource
