The Coil

A spiritual coil is another way to protect yourself and to deflect anything negative

Like with white light, you visualise a spiritual coil wrapping itself around you from head to toe. This coil is like armour, a shield to protect you.

Magical Interpretations, Material Realities Henrietta L. Moore, Todd Sanders, 2003-11-17 *Magical Interpretations Material Realities* brings together many of today's best scholars of contemporary Africa The theme of witchcraft has long been associated with exoticizing portraits of a traditional Africa but this volume takes the question of occult as a point of entry into the moral politics of some very modern African realities James Ferguson University of California USA These essays bear eloquent testimony to the ongoing presence and power of the occult imaginary and of the intimate connection between global capitalism and local cosmology in postcolonial Africa A major contribution to scholarship that aims to rework the divide between modernity and tradition Charles Piot Duke University USA This volume sets out recent thinking on witchcraft in Africa paying particular attention to variations in meanings and practices It examines the way different people in different contexts are making sense of what witchcraft is and what it might mean Using recent ethnographic materials from across the continent the volume explores how witchcraft articulates with particular modern settings for example the State in Cameroon Pentecostalism in Malawi the university system in Nigeria and

the IMF in Ghana Sierra Leone and Tanzania The editors provide a timely overview and reconsideration of long standing anthropological debates about African witchcraft while simultaneously raising broader concerns about the theories of the western social sciences **Dissertation Abstracts International** ,2001 **Leaves of Healing** ,1929 Transnational Religious Spaces Philip Clart,Adam Jones,2020-07-06 This volume bringing together work by scholars from Europe East Asia North America and West Africa investigates transnational religious spaces in a comparative manner by juxtaposing East Asian and African examples It highlights flows of ideas actors and organizations out of into or within a given continental space These flows are patterned mainly by colonialism or migration The book also examines cases where the transnational space in question encompasses both East Asia and Africa notably in the development of Japanese new religions in Africa Most of the studies are located in the present a few go back to the late nineteenth century The volume is rounded off by Thomas Tweed s systematic reflections on categories for the study of transnationalism his chapter Flows and Dams critically weighs the metaphorical language we use to think speak and write about transnational religious spaces **Leaves of Healing** ,1983 Bulletin of the Public Library of the City of Boston Boston Public Library,1914 **Sheep in Wolves' Clothing** Valerie J. McIntyre,1999-05 A full look at the harmful effect of transference the application of unresolved issues from one s past to someone in the present on churches and lives Provides ways to identify and overcome this phenomenon **The Subject Index to Periodicals** ,1919 **New York** ,2005
