**Achieve Your Dreams** Tonny Rutakirwa,2020-03-28 This is the fourth book in the Awaken Series by Tonny Rutakirwa published by Tonniez Publishing Press on 25th March 2014 A new book release every birthday      *Historical Dictionary of the Latter-day Saints* Thomas G. Alexander,Davis Bitton,2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church s membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints      *The Wisdom and Teachings of Stephen R. Covey* Stephen R. Covey,2012-11-13 Stephen R Covey passed away in July 2012 leaving behind a legacy unmatched in his writings about leadership time management effectiveness and success even love and family The Wisdom and Teachings of Stephen R Covey is a compilation of his most profound inspiring teachings and sayings Among the topics covered in this book are time management success leadership including principle centered leadership all of the 7 Habits love and family      Second Wind Dr. Bill Thomas,William H. Thomas,2015-03-24 Dr Bill Thomas one of the most innovative thinkers in medicine explains that a new life phase is beginning to emerge within our society When the Baby Boom generation came of age in the 1960s and 1970s they jump started a cultural revolution that shaped today s society Now many feel they are living a life of frenzied disharmony This out of balance feeling is a signal that you are ready for your second coming of age your life beyond adulthood This title illuminates how to recognize and navigate the most challenging and fulfilling developmental stage of life Publishe s description      **Reflections on Communication, Education, Scholarship, and Life** Xin-An Lu,2003-07 Our actions in education business and government are no longer guided by conscious ideals but by entrenched practices that are products of expediency indolence and even tyranny Inveterate and ubiquitous problems abound Students hate school Employees dislike their jobs Professors become disinclined toward teaching Boredom and procrastination are everywhere There are promotion requirements such as scholarly publications by college professors that promote nothing and benefit

none except to move the person into the next nominal category along the spectrum of the organizational ladder We are plagued with senseless competitive patterns and numerical evaluations that make life a mere matter of rat race the winning of which does not uplift us into the sublimity of humanity but trammel us in the degradation of being rats Essays in this book reflect on and search for answers to widespread and inveterate problems that degenerate modern life into mere livelihood Products in sober solitude rather than in the societal cacophony most essays in the book were written during the author s doctoral studies

**Healing Souls** Eric G. Swedin, 2022-08-15 In this first history of psychotherapy among the Latter day Saints Eric G Swedin describes how modern psychology has affected the healing of souls in the LDS community But he also shows how this community melded its theological doctrines with mainstream psychiatry when secular concepts clashed with fundamental tenets of Mormonism The psychological professions pervasive in twentieth century American society were viewed as dangerous by some religious communities Healing Souls describes the LDS community s mixed feelings about science and modernity while valuing knowledge Mormons feared a challenge to faith Nonetheless psychology courses were introduced at Brigham Young University and LDS psychotherapists began to introduce new ideas and practices to the community Swedin portrays the rise of professional organizations such as the Association of Mormon Counselors and Psychotherapists as well as the importance of Allen E Bergin first director of the BYU Institute for Studies in Values and Human Behavior Bergin and others paved the way for the LDS adoption of professional psychotherapy as an essential element of their cure of souls Important chapters take up LDS psychopathology feminist dissent LDS philosophies of sexuality and the LDS rejection of mainstream psychotherapy s selfist psychology on the basis of theological doctrines of family salvation eternalism and the natural man Healing Souls contributes to a more complete historical picture of the mental health professions in North America and a better understanding of how religious traditions and psychology have influenced each other

Public Secrets as a Phenomenon in Organizational Communication: How Public Knowledge Fails to Become Organizational Action Xin-An Lu, 2003-05 There seem to be two realms in our waking time work and life However work is often juxtaposed against life which is found in anything but work Organizational work has become nothing more than the necessary evil the means for a livelihood Work has ubiquitously become the enemy of life What culprit has dichotomized work and life Public secrets Empirically based this book explores and testifies why the phenomenon of public secrets may have transformed our organizational life into a big lie to which we are all forced to subscribe against private consciousness Public secrets represent the communication phenomenon where public knowledge though tacitly acknowledged and widely espoused is never incorporated into organizational actions and daily routines As a consequence employees are not living their organizational life with their heads and hearts but with our heels Employment with heels is the biggest un economics against time it costs wastes and debilitates it makes work the arch enemy of life

*Business Gurus* Ian Wallis, 2012-01-20 Business Gurus is an essential introduction to business and leadership thinking A must read for anyone working in or studying

business Business Gurus explains simply and clearly the most important elements from the world's most influential leadership and management thinkers. All major gurus both past and present are featured including Michael Porter, Tom Peters, Peter Drucker, Michael Gerber, Peter Senge, Jim Collins, Ken Blanchard, Charles Handy, Richard Koch, John Kotter, Richardo Semler, Stephen Covey, Seth Godin, and many more. For each of these Gurus, the book explains their background, the main theories for which they are known, the context for these theories, and how they compare to other business thinking. Crucially, the book also looks at how each theory works in practise.
