

SPIRITUAL MISSION OF CATS

Cats live in communication with many planes and dimensions of existence and know-how to naturally coexist with all beings of light by **sensing their vibrations**. Cats help us heal with their high vibration level. They know how to **detect when we need care**, emotional support, or just help.

Cats' **healing abilities** manifest themselves in different ways. Just having a cat nearby helps us raise our vibration as they have a universal and **deep connection** with Mother Earth.
