George E. Saint-Laurent

Spirituality And World Religions A Compative Introduction:

World Religions in Practice Paul Gwynne, 2017-05-30 A new and expanded edition of a highly successful textbook on world religions with a comparative approach which explores how six major religions are lived and expressed through their customs rituals and everyday practices A new edition of this major textbook exploring the world's great religions through their customs rituals and everyday practices by focusing on the lived experience This comparative study is enriched and broadened with the inclusion of a sixth religion Daoism Takes a thematic comparative and practical approach each chapter explores a series of key themes including birth death ethics and worship across all six religions at each time Broadens students understanding by offering an impartial discussion of the similarities and differences between each religion Includes an increased range of student friendly features designed to allow students to engage with each religion and extend their understanding

Spirituality and World Religions George E. Saint-Laurent, 2000 Spirituality and World Religions: A Comparative Introduction George Saint-Laurent, 1999-10-25 This accessible supplementary text examines how worshipers within the context of the world's dominant religions pursue personal transformation Spirituality and World Religions consists of eight chapters that pursue insight into spirituality generally as well as the respective spiritualities of Judaism Christianity Islam Hinduism and Buddhism

Understanding Spirituality and World Faith Expressions Chaplain Keith Evans, 2025-04-15 THE CHAPLAIN SKILL SET SERIES Vol 2 Understanding Spirituality and World Faith Expressions This second volume of The Chaplain Skill Set Series delves deeper into understanding the spiritual expressions of the primary world faiths and spirituality in general It offers a more robust overview of the ultimate life questions that worldviews and faith beliefs attempt to answer After discussions of how the primary faith beliefs are expressed a new verbatim section is added to this second edition Like the first volume the verbatims include great questions for the reader to use to sharpen their own skill sets as they read through each verbatim and see the strengths and weaknesses of how the encounters transpired In The Series Vol 1 The Fundamentals The Why What Who and How of Chaplaincy Vol 3 Understanding The Spiritual Assessment

The Changing World Religion Map Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the

relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media **The Power of Religion**

Amanda Porterfield,1998 Genuinely accessible to undergraduates and general readers it shows how various forms of these traditions are lived out in practice experience and community presenting religions as conceivable ways of living and demonstrating how religious beliefs are integrally related to other aspects of life Many chapters open with a description of a particular religious event or act that one might encounter today in the United States where virtually all of the world s religions are now being practiced The author discusses several of the historical developments each religion has undergone and considers how each of the religions has changed in response to the climate of religious exchange and religious pluralism that exists in the United States today *The Routledge Handbook of Religious Naturalism* Donald A. Crosby,Jerome A. Stone,2018-02-01 Ecological crisis is being widely discussed in society today and therefore the subject of religious naturalism has emerged as a major topic in religion The Routledge Handbook of Religious Naturalism is an outstanding reference source to the key topics problems and debates in this exciting subject and is the first collection of its kind Comprising thirty four chapters by a team of international contributors the Handbook is divided into seven parts Varieties of religious naturalism and its relations to other outlooks Some earlier religious naturalists Pantheism materialism and the value ladenness of nature Ecology humans and politics in naturalistic perspective Religious naturalism and traditional religions Putting religious naturalism into practice Critical discussions of religious naturalism Within these sections central issues debates and problems are examined including defining religious naturalism religious underpinnings of ecology natural piety the religious aesthetic ecstatic naturalism as deep pantheism spiritual ecology African American religious naturalism Christian religious naturalism Dao and water Confucianism environmental action and practices in religious naturalism The Routledge Handbook of Religious Naturalism is essential reading for students and researchers in religious studies theology and philosophy The Handbook will also be useful for those in related fields such as environmental ethics and ecology **Self-Emptying of**

Christ and the Christian John B. Lounibos,2011-05-01 This collection wrestles with a profusion of questions about kenosis What is the original meaning and purpose of the self emptying of Jesus How can today s Christians emulate it replacing our own selfish designs with the mind of Christ How is the current interest in servant leadership as a model in the modern

church related to the self sacrificing servant of Philippians 2 Does this practice have any meaning in our present secular age Does it imply deconstructing the content of Christian faith and morals in contemporary culture Is it a possible bridge between Eastern and Western spiritual traditions Using the key theme of Jesus emptying of himself in the Philippians hymn John Lounibos explores the mysteries of kenosis in three strikingly different essays The first using extensive exegesis of the text opens up the poetic theological and spiritual depths of this Christian mystery The second essay establishes a philosophical grounding for kenosis in the work of Paul Tillich on the estrangements of finite human freedom The third enters into dialogue with the Buddhist tradition and its intriguing notions of nothingness and no self The attentive reader will be rewarded with a wealth of information and insights for further reflection and personal application

Mysticism and the Spiritual Quest Phyllis Zagano, 2013 A crosscultural exploration of the meanings definitions practices and common themes of mysticism via a study of original texts in translation from different parts of the world It brings together the writings of the mystics from Christianity Judaism Islam Buddhism Hinduism Taoism and Confucianism in one volume

Understanding Other Religious Worlds Judith A. Berling, 2004-01-01 This book articulates a learning process to help educators improve approaches to other religious traditions Understanding Other Religious Worlds distinguishes between learning facts about other religions and understanding them and their followers in a wholistic manner Berling argues that incorporating the religious other in one s own Christian identity is integral to living an authentic Christian life
