Splintered Mirror Chinese Poetry From The Democracy Movement:

A Splintered Mirror, 1991-02-01 *A Splintered Mirror* gathers together poems by seven of the Chinese Misty Poets whose writings proved one of the first signs of the democracy movement in China. Published clandestinely or pasted upon walls, Misty poetry quietly exploded the rigid structures of official Chinese poetry, presenting a new poetics infused with personal emotions and private imagery. This collection displays the full range of human concerns, often poignant, evocative, and bittersweet expressions of personal longing. Gu Cheng's stubborn dreams, Mang Ke's weaving of time, nature, and emotion, Duo Duo's sharp self-mocking anger, and Bei Dao's vision of art as a splintered mirror. *A Splintered Mirror*, 1991-01-01

China's Search for Democracy: The Students and Mass Movement of 1989 Suzanne Ogden, Kathleen Hartford, Nancy Sullivan, David Zweig, 2016-09-16 Within a framework of analysis and background by the four editors, this book presents a view from the grassroots of the 1989 student and mass movement in China and its tragic consequences. Here are the core eyewitness and participant accounts expressed through wall posters, students' speeches, movement declarations, handbills, and other documents. In their introductions to the material, the editors address the political economy of the democracy movement, the evolving concept of democracy during the movement, the movement's contribution to China becoming a civil society, and the changing view of the Chinese Communist Party by students, intellectuals, workers, and others as the crisis unfolded.

Chinese Poetry in Times of Mind, Mayhem and Money Maghiel van Crevel, 2008-10-02 *Chinese Poetry in Times of Mind, Mayhem and Money* is a groundbreaking study covering a range of contemporary authors and issues from Haizi to Yin Lichuan and from poetic rhythm to exile bashing. Its rigorous scholarship, literary sensitivity, and lively style make it eminently fit for classroom use. Transcultural Poetics Yifeng Sun, Dechao Li, 2023-02-09 This book examines many facets of transcultural poetics in the English translation of Chinese literature from 12 different expert contributors. Translating Chinese literature into English is a special challenge. There is a pressing need to overcome a slew of obstacles to the understanding and appreciation of Chinese literary works by readers in the English-speaking world. Hitherto, only intermittent attempts have been made to theorize and explore the exact role of the translator as a cultural and aesthetic mediator informed by cross-cultural knowledge, awareness, and sensitivity. Given the complexity of literary translation, sophisticated poetics of translation in terms of literary value and aesthetic taste needs to be developed and elaborated more fully from a cross-cultural perspective. It is therefore necessary to examine attempts to reconcile the desire for authentic transmission of Chinese culture with the need for cultural mediation and appropriation in terms of the production and reception of texts subject to the multiplicity of constraints in order to shed new light on the longstanding conundrum of Chinese-English literary translation by addressing Chinese literature in the multiple contexts of nationalism, cross-cultural hybridity, literary untranslatability, the reception of translation, and also world literature. The book will be of great interest to students and scholars of translation studies, Chinese literature, and East Asian studies. **Chinese Poetry and Translation** Maghiel

Crevel, Lucas Klein, 2025-10-01 Chinese Poetry and Translation Rights and Wrongs offers fifteen essays on the triptych of poetry translation Chinese The collection has three parts The Translator s Take Theoretics and Impact The conversation stretches from queer feminist engagement with China s newest poetry to philosophical and philological reflections on its oldest and from Tang and Song dynasty classical poetry in Western languages to Baudelaire and Celan in Chinese Translation is taken as an interlingual and intercultural act and the essays foreground theoretical expositions and the practice of translation in equal but not opposite measure Poetry has a transforming yet ever acute relevance in Chinese culture and this makes it a good entry point for studying Chinese foreign encounters Pushing past oppositions that still too often restrict discussions of translation form versus content elegance versus accuracy and the original versus the translated this volume brings a wealth of new thinking to the interrelationships between poetry translation and China Stretching from queer feminist engagement with China s newest poetry to philological reflection on its oldest this book brings a wealth of new thinking to the interrelationships between poetry translation and China **A Heart Traced In Sand** Steven

of the nation the first generation born after the founding of the People s Republic of China was united in its political outlook and at first embraced the Cultural Revolution of 1966 but then split into warring factions Investigating the causes of this fracture Guobin Yang argues that Chinese youth engaged in an imaginary revolution from 1966 to 1968 enacting a political

mythology that encouraged violence as a way to prove one's revolutionary credentials. This same competitive dynamic would later turn the Red Guard against the communist government. Throughout the 1970s the majority of Red Guard youth were sent to work in rural villages where they developed an appreciation for the values of ordinary life. From this experience an underground cultural movement was born. Rejecting idolatry, these relocated revolutionaries developed a new form of resistance that signaled a new era of enlightenment culminating in the Democracy Wall movement of the late 1970s and the Tiananmen protest of 1989. Yang's final chapter on the politics of history and memory argues that contemporary memories of the Cultural Revolution are factionalized along these lines of political division formed fifty years before.
