Blue Adept Piers Anthony, 2009-06-03 In this brilliant continuation of the epic adventure that began in Split Infinity Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless

Castle Roogna Piers Anthony, 2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much

needed ally in peril haunted ancient Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old **Night Mare** Piers Anthony,2002-03-26 The danger to Xanth was so great that only a night mare could offer hope The Nextwave of barbarian warriors was invading Xanth from the north ravaging and destroying as they advanced But Mare Imbrium had her own problems Ever since she had gained the half soul the night mare had begun to mishandle her job of delivering bad dreams Now the night Stallion dismissed her exiling her to the day world with a message for King Trent Beware the Horseman She had no idea what that meant But that was the way with prophetic warnings nobody could understand them until it was too late Then she met the Horseman And she discovered that one who would right a night mare was a master of a bit and spur and not a man to surrender her For the night mare it all began to be a horrible nightmare **A Spell for Chameleon** Piers Anthony,2002-03-26 BEST NOVEL OF THE YEAR BRITISH FANTASY SOCIETY Discover the magical beginning of Piers Anthony s enthralling Xanth series Xanth was the enchanted land where magic ruled where every citizen had a special spell only he could cast It was a land of centaurs and dragons and basilisks For Bink of North Village however Xanth was no fairy tale He alone had no magic And unless he got some and got some fast he would be exiled Forever But the Good Magician Humfrey was convinced that Bink did indeed have magic In fact both Beauregard the genie and the magic wall chart insisted that Bink had magic Magic as powerful as any possessed by the King or by Good Magician Humfrey or even by the Evil Magician Trent Be that as it may no one could fathom the nature of Bink s very special magic Bink was in despair This was even worse than having no magic at all and he would still be exiled Thus begins Piers Anthony s enthralling Xanth series *With a Tangled Skein* Piers Anthony,2008-12-24 Here in this third complete in itself novel of the Incarnations of Immortality Piers Anthony weaves a fascinating plot as tangled as any skein of fate This is Anthony at his most ingenious with another gripping fantasy of the struggle of the incarnations against the machinations of Satan When the man Niobe loved was shot she learned that she had been the target in a devious plot of the Devil s Hoping for revenge Niobe accepted a position as one of the three Aspects of Fate only to find that Satan s plots were tangled into the very Tapestry of Fate Now the Evil One was laying a trap to ruin Niobe s granddaughter Luna who threatened his plans and he had tricked her son into Hell Niobe s only chance to save her son and Luna was to accept a challenge by the Prince of Deceit a challenge to be decided in Hell and in a maze of Satan s devising **On a Pale Horse** Piers Anthony,2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader s mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap

in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution *Source of Magic* Piers Anthony,2002-03-26 A quest for the source of power threatened to doom the land of Xanth As a ruler of a country steeped in enchantment King Trent was naturally curious about the source of its magic It made sense to order Bink the only one of his subjects immune to supernatural harm to undertake a quest to discover the wellspring of Xanth s uniqueness From the beginning Bink and his companions Chester the centaur and Crombie the soldier transformed into a griffin were harried by an unseen enemy determined to thwart them Even the power of Good Magician Humfrey together with Bink s protective talent scarcely saved their lives Then when Humfrey and Crombie turned against him all seemed lost But Bink s ingenuity and luck prevailed and he reached his goal The King s orders had been carried out But the King had not expected Bink s next act to destroy utterly the magic of Xanth

Crewel Lye Piers Anthony,2002-03-26 A knight of ghosts and shadows Jordan was a ghost in Castle Roogna now spending his time with little five year old Ivy and watching his own past unfold on the magic tapestry But once he had been a valorous knight riding his ghost horse Pook on a fabulous and dangerous mission He had been betrayed with a cruel lie by two wily magicians and the woman he loved He had been killed at the end and his bones had been scattered Now he could not even remember where they had been buried That was important because Jordan s talent had been to recover from almost any injury provided enough of his body could be assembled to grow together again But all that had been four hundred years before Nobody who was alive today knew or cared where his bones might be It was hardly the proper ending for a gallant adventure
