Economic Policies and Practices United States. Congress. Joint Economic Committee, 1963 **The Future of Social Security Policy** Ailsa McKay, 2005-07-25 Current debates concerning the future of social security provision in advanced capitalist states have raised the issue of a citizen's basic income CBI as a possible reform package a proposal based on the principles of individuality universality and unconditionality which would ensure a minimum income guaranteed for all members of society Implementing a CBI would consequently entail radical reform of existing patterns of welfare delivery and would bring into question the institutionalized relationship between work and welfare Ailsa McKay's book makes a unique and positive contribution to the CBI literature by examining the proposal from a feminist economics perspective Gender concerns are central to any debate on the future of social security policy in that state intervention in the field of income redistribution has differential impacts on men and women By drawing attention to the potential a CBI has in promoting equal rights of freedom for men and women this book serves to open up the debate to incorporate a more realistic and inclusive vision of the nature of modern socio economic relationships **Debating Universal Basic Income** Robert E.

Wright, Aleksandra Przeglasińska, 2022-10-12 This book presents the most compelling arguments for and against implementing a basic income guarantee today in the voice of proponents and critics in alternating chapters Tables figures and pictures illustrate the key concepts and evidence which include benefit cliffs and disincentive deserts time series macroeconomic data business economic and technological change BETC artificial intelligence and other general purpose technologies along with advanced robotics the environmental Kuznets Curve income distributions democracy social justice dependence autonomy and economic freedom A neutral non partisan tone introduction defines UBI and covers the history of universal income plans while the conclusion summarizes the main arguments for and against UBI before surveying alternative policies including universal basic asset credit service job and training plans **Bulletin of the United States Bureau of Labor Statistics**

, 1972 Monthly Labor Review United States. Bureau of Labor Statistics, 1973 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Instead of the Dole** Hermione

Parker, 2018-06-28 This book first published in 1989 assesses the existing tax and benefit systems as being beyond repair and

examines the case for integration Integrated tax benefit systems change the basis of entitlement from contribution record and contingency to citizenship and need Having shown that full integration is not realistic the author discusses four major partial integration options in detail Basing her comparison on detailed analysis of specific models she is able to compare the redistributive and incentive efforts of each scheme *The Struggle Over Work* Shaun Wilson, 2004-07-31 The future of work in advanced industrial democracies is the subject of intense debate and public concern Despite predictions that working hours would fall and leisure time would rise as society progressed the opposite has in fact occurred This new book contains a twofold investigation into the end of work with theoretical and policy angles contributing to the growing research field on the boundaries of economics and sociology *Revival: Economic Methods & the Effectiveness of Production (1971)* E G Liberman, Arlo Schultz, 2017-07-28 This title was first published in 1971 Aims to provide an exciting and psychologically penetrating account of the life of Russia s 18th century tsar reformer and the theme of progress through violence in Russia
