Grindle,2017-03-14 This book addresses the broader questions of how both the content and the context of public policy affect its implementation Through a series of case studies from Mexico Peru Brazil Colombia Zambia Kenya and India ten scholars here demonstrate that numerous factors intervene between the statement of policy goals and their actual achievement in society Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Policy Signals and Market Responses Stuart John Barton,2016-01-26 The study presents archival evidence to show how President Kaunda raised political and economic exclusivity in Zambia in the early years of Zambia s independence and how this retarded capital investment Despite formal reforms and a new government this institutional mechanism still

dominates and constrains Zambia's political economy today **Zambia** Marcia Burdette, 2021-12-12 This accessible case study offers a fully rounded picture of Zambia's course since independence chronicling the periods of boom and decline after the fall in the price of copper around the mid 1970s The author advocates an internally oriented economic strategy to retain industries and livelihoods and investigates the ability of the current leadership to achieve this Gandhi as Disciple and Mentor Thomas Weber, 2004-12-02 Thomas Weber's book comprises a series of biographical reflections about people who influenced Gandhi and those who were in turn influenced by him Whilst previous literature tended to focus on Gandhi's political legacy Weber's book explores the spiritual social and philosophical resonances of these relationships and it is with these aspects of the Mahatma's life in mind that the author selects his central protagonists These include friends such as Henry Polak and Hermann Kallenbach who are not as well known as those usually cited but who left a deep impression nevertheless and motivated some of Gandhi's major life changes Conversely the work of luminaries such as E F Schumacher and Gene Sharp reveal the Mahatma's influence in arenas which are not traditionally associated with his thinking Weber's book offers intriguing insights into the life and thought of one of the most significant figures of the twentieth century

Scarcity, Choice and Public Policy in Middle Africa Donald Rothchild, Robert L. Curry Jr., 2023-11-15 New challenges and opportunities have come to the fore as the middle African States have consolidated their independence In grappling with economic scarcity and restricted choice decision makers must transform domestic institutions and practices and reformulate their relationship to the global economy The authors of this book believe that their efforts can be advanced by resorting to a problem solving focus Such an approach will in their opinion allow social scientists to remain true to their professional disciplines while permitting them to embrace African designated objectives By inquiring into decision processes and results policy analysis seeks to identify optimal courses of action in the context of prevailing societal demands and constraints In general African decision makers have adopted three choice strategies with an eye to reducing scarcity and expanding alternatives accommodation reorganization and transformation When these choice strategies are related to system goals striking variations in preferences and priorities emerge the most significant of which concern decision on mobilizing and distributing resources and achieving freedom from external control In various trade off situations involving negotiations by producer cartels bargaining between multinational companies and African host countries and external economic assistance diverse policy patterns among the groups in relating to the benefits and costs of particular lines of action appear Each choice strategy has its own benefit cost combination Since no approach may be equally valid cross nationally the decision elites of each country are left with the responsibility for determining their own goals and priorities New challenges and opportunities have come to the fore as the middle African States have consolidated their independence In grappling with economic scarcity and restricted choice decision makers must transform domestic institutions and practices and ref **Zimbabwe, a Country Study** United States. Kent Rasmussen, 1986 The acclaimed Dictionary of African Historical Biography the only single volume biographical work on Sub Saharan African history has been expanded and updated to include entries on over eight hundred people important in Sub Saharan African history up to 1980

Zambian Crisis Behaviour Douglas George Anglin, 1994 Rhodesia's racially inspired rebellion and subsequent unilateral declaration of independence from Britain in November 1965 had profound implications for neighbouring Zambia's national security and economic survival Focusing on landlocked Zambia's response to the economic and military threat posed by Rhodesia *Zambian Crisis Behaviour* is a penetrating analysis of the foreign policy decision making process under conditions of crisis induced stress **The Tar Baby Option** Anthony Lake, 2000-01-15 No area of the world has been viewed by

Americans with greater moral disapproval and yet less attention than southern Africa writes Anthony Lake in the introduction to *The Tar Baby Option* Feeling that there is much to be learned from an examination of the American response to the Rhodesian problem he offers a detailed account of America's Southern Rhodesia policy since the Smith government's unilateral declaration of independence from Great Britain in 1965 The book provides information essential to an understanding of the American approach to the current crisis in the region The author's use of previously undisclosed materials and interviews with U S foreign policymakers gives the reader an inside look not only at the Rhodesian question but also at the politics of American foreign policy **China and Africa** Ian Taylor, 2007-01-24 With China's rise to the status of world power trade and political links between Africa and China have been escalating at an astonishing rate Ian Taylor an expert in this field gives a comprehensive assessment of relations between China and Africa **United States Relations**

with South Africa Y. G.-M. Lulat, 2008 Relations between the United States and South Africa or the parts of the world these nations now occupy go nearly as far back as the very beginning of their inception as permanent European colonial intrusions This book is a critical overview of these relations from the late seventeenth century to the present Unprecedented in its scope and supported by substantive and detailed notes together with an extensive bibliography chronology glossary and appendices the book distinguishes itself from extant works in a number of other ways Set against the backdrop of a wider interdisciplinary exploration of both ideational and structural issues of historical context it not only gives attention to the

importance of contributions from nonofficial actors in shaping official relations but also considers the impact of the geo political location of South Africa within southern Africa where the presence of other nations particularly Angola Mozambique Namibia and Zimbabwe looms large Methodologically written from the perspectives of both traditional narrative history and Khaldunian interpretive historical analysis the book consequently sits at the interdisciplinary interstice of political economy and sociology where the aim is to advance our understanding of the Braudelian interconnectedness of world history as an important diachronic determinant of the diplomacy of foreign relations Written for both scholars and policy analysts this book s examination of the agency of the marginalized should also be of interest to activists and the reading public Zimbabwe in Crisis Stephen Chan,Ranka Primorac,2013-10-18 This book covers not only the political situation in Zimbabwe but its international context and those areas of privation exclusion and silence within the country that are beneath the everyday face of politics Written by either a Zimbabwean or an internationally acknowledged expert on aspects of Zimbabwe all the authors agree that the silences in and surrounding the African state cannot continue This volume utilizes the perspectives of diplomacy health law and literature written in both English and Shona and of those deeply concerned with democratization in Zimbabwe and its surrounding region Zimbabwe and the Space of Silence will be of interest to students and scholars of African studies African and Third World politics and international law This book was previously published as a special issue of The Round Table One Zambia, Many Histories Jan-Bart Gewald,Marja Hinfelaar,Giacomo Macola,2008-06-25 In contrast to the rich tradition of academic analysis and understanding of the pre colonial and colonial history of Zambia the trajectory of post colonial Zambia has been all but ignored by historians The assumptions of developmentalism the cultural hegemony of United National Independence Party orthodoxy and its conflation with national interests and a narrow focus on Zambia s diplomatic role in Southern African affairs have all contributed to a dearth of studies centring on the diverse lived experiences of Zambians A Development Economist in the United Nations Richard Jolly,2022-11-22 This book explores the joys and occasional frustrations of a development economist working for the United Nations From 1982 to 2000 Richard Jolly worked in senior positions in UNICEF and UNDP on assignments that were innovative for the UN the countries concerned and for development The book analyses his experiences as Deputy Director of UNICEF Principal Coordinator and co author of UNDP s widely acclaimed Human Development Report and a community development officer in Kenya as well as his involvement in the UN and country mission to Zambia and ILO employment missions to Colombia Sri Lanka and Kenya It shows what the UN can achieve when there is strong leadership at central and field levels together with decentralized approaches Jolly s experiences lead him to conclude there are in fact three UNs the formal UN of governments the second UN comprising UN staff members often the source of initiatives and action and the third UN of NGOs experts consultants and others closely following the UN or working with it and also often bringing new thinking and innovation Reflecting on the need for international action to be more effective and the UN to be more strongly supported this volume is a fascinating
