The Humour Of Sex

Clare A. Lyons

The Humour Of Sex:

The Humour of Vladimir Nabokov Paul Benedict Grant, 2024-09-30 The first in depth study of Vladimir Nabokov's humour investigating its physical aspects such as farce slapstick sexual and scatological humour Offers the first in depth study of Nabokov's humour Presents a revisionist reading of Nabokov Examines the metaphysical aspects of Nabokov's humour Examines the sexual and scatological aspects of Nabokov's humour Applies humour theory e.g. those of Hobbes Bergson Freud to Nabokov's texts Compares Nabokov's humour to that of his Russian predecessors e.g. Pushkin Gogol Chekhov and to literary humourists such as Rabelais Swift Joyce Many critics classify Vladimir Nabokov as a highbrow humourist a refined wordsmith overly fond of playful puzzles and private in jokes whose art appeals primarily to an intellectually sophisticated readership This study presents a more balanced portrait placing equal emphasis on the broader earthier humour that is such a marked feature of Nabokov's writing which draws on the human body and all things physical for its laughs sex and scatology farce and slapstick Moving between the metaphysical and the physical the cosmic and the comic mind and matter it presents Nabokov as a writer at home in both high and low forms of humour a comedian who is capable of producing as many belly laughs as brainteasers and of appealing to a much wider readership than is commonly supposed Sexual

Humour in Africa Ignatius Chukwumah, 2022-03-30 This book examines the types discourse modes and effects of sex jokes in different African contexts in a range of different cultural forms from the internet to music books films advertising and images thus filling the existing void in literature on the subject Arguing that sex jokes are used to perform a number of functions in African society the contributors show how they can be used to perpetuate violence against women construct spaces resist oppression create conformity build affiliations and subvert morality They consider jokes from Egypt Ghana Nigeria Kenya and Zambia in a range of forms including queer sex jokes rape jokes performed sex jokes gendered humour and resistance sex humour The book places particular emphasis on the impact of new media platforms and the anonymity they provide Providing an important analysis of this tabooed but culturally important facet of everyday life this book will be of interest to scholars of African culture and society from a range of disciplines including anthropology gender studies literary studies and sociology

Framing the Sex Scene: A New Take on Israeli Film History Naomi Rolef, 2021-02-22 This book retells the history of Israeli film in the 1960s and 1970s in sex scenes Through close readings of the first sex scenes in mainstream Israeli movies from this period it explores the cultural and social contexts in which these movies were made More specifically it discusses how notions of collective identity individual agency and the public and private spheres are inscribed into and negotiated in sex scenes especially in light of the historical events that marked these decades This study thus pushes away from the traditional academic perception of Israeli film and opens up new ways of understanding how it has developed in recent decades It draws on a growing international body of academic literature on the cinematic representation of sex in order to illuminate the particularities of the Israeli context in the 1960s and 1970s Apart from film scholars and scholars of

Israeli film this study also addresses readers interested in Israeli cultural history more broadly

Semantic Mechanisms of Humor V. Raskin, 2012-12-06 GOAL This is the funniest book I have ever written and the ambiguity here is deliberate Much of this book is about deliberate ambiguity described as unambiguously as possible so the previous sentence is probably the first last and only deliberately ambiguous sentence in the book Deliberate ambiguity will be shown to underlie much if not all of verbal humor Some of its forms are simple enough to be perceived as deliberately ambiguous on the surface in others the ambiguity results from a deep semantic analysis Deep semantic analysis is the core of this approach to humor The book is the first ever application of modern linguistic theory to the study of humor and it puts forward a formal semantic theory of verbal humor The goal of the theory is to formulate the necessary and sufficient conditions in purely semantic terms for a text to be funny In other words if a formal semantic analysis of a text yields a certain set of semantic properties which the text possesses then the text is recognized as a joke As any modern linguistic theory this semantic theory of humor attempts to match a natural intuitive ability which the native speaker has in this particular case the ability to perceive a text as funny i.e. to distinguish a joke from a non joke Ethnologia Europaea 29 : 1 Orvar Löfgren, 1971 *It's a Funny Thing, Humour* Antony J. Chapman, Hugh C. Foot, 2013-10-22 It's a Funny Thing Humour contains the papers presented at the International Conference on Humor and Laughter held in Cardiff in July 1976 The symposium provides a platform from which authors from different professional and personal background can talk about their own definition and analysis of humor The book is structured into 10 main sections that reflect the structure of the conference and presents various studies and research on the nature of humor and laughter Contributions range from theoretical discussions to practical and experimental expositions Topics on the psychoanalytical theory of humor and laughter the nature and analysis of jokes cross cultural research of humor mirth measurement and humor as a tool of learning are some of the topics covered in the symposium Psychologists sociologists teachers communication experts psychiatrists and people who are curious to know more about humor and laughter will find the book very interesting and highly amusing Sex Or Symbol? Catherine Johns, 2000 First published in 2000 Routledge is an imprint of Taylor Francis an informal company *Philosophizing About Sex* Laurie J. Shrage, Robert Scott Stewart, 2015-01-20 Ancient Greek philosophers medieval theologians Enlightenment thinkers and contemporary humanists alike have debated all aspects of human sexuality including its purpose permissibility normalcy and risks Philosophizing About Sex provides a philosophical guide to those longstanding and important debates Each chapter takes a general issue freedom privacy objectification etc and shows how ongoing public discussions of sexuality can be illuminated by careful philosophical investigation Debates over topics such as sexual assault sexual orientation sex education prostitution and sexting involve larger questions about morality law science and politics and cannot be intelligently discussed in isolation from broader issues By asking deceptively simple questions this book shows how difficult but important it is to arrive at satisfying answers

The Emotional and Sexual Lives of Older People H. B. Gibson, 2013-12-14 *The*

Language of Jokes in the Digital Age Delia Chiaro, 2017-11-23 In this accessible book Delia Chiaro provides a fresh overview of the language of jokes in a globalized and digitalized world The book shows how while on the one hand the lingua cultural nuts and bolts of jokes have remained unchanged over time on the other the time space compression brought about by modern technology has generated new settings and new ways of joking and playing with language The *Language of Jokes in the Digital Age* covers a wide range of settings from social networks e mails and memes to more traditional fields of film and TV especially sitcoms and game shows and advertising Chiaro s consideration of the increasingly virtual context of jokes delights with both up to date examples and frequent reference to the most central theories of comedy This lively book will be essential reading for any student or researcher working in the area of language and humour and will be of interest to those in language and media and sociolinguistics

Online Sex Talk and the Social World Chrystie Mykietiak, 2020-10-09 This book develops a feminist and queer linguistic account of the construction of sex sexuality and desire through a linguistic and discursive analysis of naturally occurring sex talk from an online community Critical discourse analysis is used to analyse a corpus of data drawn from incidental sex talk observed in the community over the course of an 18 month period Sub types of sex talk that are examined include cybersex self disclosure confidences joking games flirting and automated sexual commands that generate sex between participants The book will be of use to students and researchers interested in the language of gender and sexuality as well as feminist and queer accounts of technology and sexual communication

The Millennial Mosaic Reginald W. Bibby, Joel Thiessen, Monetta Bailey, 2019-07-13 The *Millennial Mosaic* provides an unmatched examination of Canada s youngest adults unveiling the news that they are an upgrade on older Canadians and what it means for the future of Canada

Sex and Humor Kinsey Institute for Research in Sex, Gender, and Reproduction, 2002 Four important essays on humor and sexuality plus humorous art and artifacts from the collections of The Kinsey Institute

The Handbook of Communication Skills Owen Hargie, 2025-03-19 The *Handbook of Communication Skills* is recognised as one of the core texts in the field of communication offering a state of the art overview of this rapidly evolving field of study The fifth edition of this bestselling book situates communication in a range of different contexts from interacting in groups to the counselling interview It covers topics such as non verbal behaviour listening negotiation interacting in groups and mentoring This new edition has been fully revised and updated and includes a brand new chapter on digitally mediated communications in social and working environments as well as newly written chapters on humour and laughter in communication and persuasion Based on the core tenet that interpersonal communication can be conceptualised as a form of skilled activity the book looks at core communication skills and how these can be applied in specific contexts expertly combining theory with practice This handbook provides a rich mine of information for use in a variety of contexts from theoretical mainstream communication modules on degree programmes to vocational courses in health business and education With contributions from an internationally renowned range of scholars this is the definitive text for students

researchers and professionals alike **The Psychology of Humor** Rod A. Martin, Thomas Ford, 2018-07-14 Most of us laugh at something funny multiple times during a typical day Humor serves multiple purposes and although there is a sizable and expanding research literature on the subject the research is spread in a variety of disciplines The Psychology of Humor 2e reviews the literature integrating research from across subdisciplines in psychology as well as related fields such as anthropology biology computer science linguistics sociology and more This book begins by defining humor and presenting theories of humor Later chapters cover cognitive processes involved in humor and the effects of humor on cognition Individual differences in personality and humor are identified as well as the physiology of humor the social functions of humor and how humor develops and changes over the lifespan This book concludes noting the association of humor with physical and mental health and outlines applications of humor use in psychotherapy education and the workplace In addition to being fully updated with recent research the second edition includes a variety of new materials More graphs tables and figures now illustrate concepts processes and theories It provides new brief interviews with prominent humor scholars via text boxes The end of each chapter now includes a list of key concepts critical thinking questions and a list of resources for further reading Covers research on humor and laughter in every area of psychology Integrates research findings into a coherent conceptual framework Includes brain imaging studies evolutionary models and animal research Integrates related information from sociology linguistics neuroscience and anthropology Explores applications of humor in psychotherapy education and the workplace Provides new research plus key concepts and chapter summaries Art and Laughter Sheri Klein, 2006-11-22 This is the first book to take seriously though not too seriously the surprisingly neglected role of humour in art Art and Laughter looks back to comic masters such as Hogarth and Daumier and to Dada Surrealism and Pop Art asking what makes us laugh and why It explores the use of comedy in art from satire and irony to pun parody and black and bawdy humour Encouraging laughter in the hallowed space of the gallery Sheri Klein praises the contemporary artist as clown often overlooked in favour of the role of artist as serious commentator and takes us on a tour of the comic work of Red Grooms Cary Leibowitz The Hairy Who Richard Prince Bruce Nauman Jeff Koons William Wegman Vik Muniz and many more She seeks out those rare smiles in art from the Mona Lisa onwards and highlights too the pleasures of the cute the camp and the downright kitsch *Sex among the Rabble* Clare A. Lyons, 2012-12-01 Placing sexual culture at the center of power relations in Revolutionary era Philadelphia Clare A Lyons uncovers a world where runaway wives challenged their husbands patriarchal rights and where serial and casual sexual relationships were commonplace By reading popular representations of sex against actual behavior Lyons reveals the clash of meanings given to sex and illuminates struggles to recast sexuality in order to eliminate its subversive potential Sexuality became the vehicle for exploring currents of liberty freedom and individualism in the politics of everyday life among groups of early Americans typically excluded from formal systems of governance women African Americans and poor classes of whites Lyons shows that men and women created a vibrant urban

pleasure culture including the eroticization of print culture as eighteenth century readers became fascinated with stories of bastardy prostitution seduction and adultery In the post Revolutionary reaction white middle class men asserted their authority Lyons argues by creating a gender system that simultaneously allowed them the liberty of their passions constrained middle class women with virtue and projected licentiousness onto lower class whites and African Americans Lyons s analysis shows how class and racial divisions fostered new constructions of sexuality that served as a foundation for gender This gendering of sexuality in the new nation was integral to reconstituting social hierarchies and subordinating women and African Americans in the wake of the Revolution

The Latin Sexual Vocabulary J. N. Adams,1990-10 Useful not only for reading Catullus but also for Victorian works like Krafft Ebing in which the writers use Latin for the shameful words ms

The Psychology of Conservatism (Routledge Revivals) Glenn Wilson,2013-10-14 First published in 1973 The Psychology of Conservatism explores attitudes their measurement their structure and dynamics and the personality traits apparently underlying attitude patterns It examines the link between differing attitudes and discusses characteristic patterns and syndromes The book focuses on the origins and dynamics of a major factor called liberalism conservatism which is found to account for much of the variance in attitudes amongst different people Contributors review previous studies relating to personality and attitude before engaging in new studies and proposing their own theories to explain the conservative attitude The book introduces provocative theoretical ideas and provides a valuable examination of an important psychological and social attitude syndrome This book will be of interest to researchers in personality and social psychology sociology and political science and education

Evolutionary Perspectives on Human Sexual Psychology and Behavior Viviana A. Weekes-Shackelford,Todd K. Shackelford,2014-07-08 This volume in the Springer Series in Evolutionary Psychology presents a state of the art view of the topic of sexuality and sexual behavior drawing on theoretical constructs and research of noted individuals in the field Comprehensive and multi disciplinary this book seeks to provide a broad overview without sacrificing the complexity of a multi faceted approach The book is framed by introductory and closing sections that provide a context for the range of ideas contained within Ample space is provided in designated sections that focus on key areas of sexuality from both male and female perspectives and that include information from primate studies This volume can serve as a graduate text in sexual behavior in evolutionary terms and as a guide for further research

The Humour Of Sex Introduction

In today's digital age, the availability of The Humour Of Sex books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Humour Of Sex books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Humour Of Sex books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing The Humour Of Sex versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Humour Of Sex books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Humour Of Sex books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Humour Of Sex books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Humour Of Sex books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Humour Of Sex books and manuals for download and embark on your journey of knowledge?

FAQs About The Humour Of Sex Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
