

# THE HYMNS OF THE RIGVEDA

BY J. H. HENNING

VOLUME II

# The Hymns Of The Rgveda

**J. Gonda**

## **The Hymns Of The Rgveda:**

The Hymns of the Rgveda Ralph Thomas Hotchkin Griffith, 1963      *The Indra Hymns of the Rgveda* ,1989      **The Hymns of the Rgveda** Ralph Thomas Hotchkin Griffith, Jagdish Lal Shastri, 1973-01-01 The Rgveda the oldest literary record of the Aryan race and the sacred book of the Hindus has very few authentic translations in English Most of the translations are only the imitations of interpretations which the mediaeval Hindus as represented by Sayana have offered Griffith's is the only translation which though guided by Sayana ventures to deviate from him widely and frequently It may be ranked as an independent translation hitherto made in English But this century old translation needed re editing necessitating a new edition incorporating improvements without disturbing the original In this edition the Greek letters have been romanized wherever there are references in the footnotes from the Greek language The system of transcription has been modernized even in regard to Avestan words in the footnotes following the system of Bartholomae The complete translation has been published in a single volume for the convenience of the reader Each and every figure in the index has been duly checked and revised      *Hymns of the Rgveda* ,1987 Hindu canonical text      The Hymns of the Rigveda ,1889      Hymns of the Rgveda ,1963      Vedic hymns [from the Rgveda] tr. by F.M. Müller (H. Oldenberg). ,1891      **The Indra Hymns of the Rgveda** J. Gonda, 2023-08-14 Although the number of hymns composed in honour of the most popular member of the Vedic pantheon is nearly one fourth of the total a monograph on this important collection of religious poetry has up to now never been published It has been the author's endeavour to ascertain and examine all relevant facts concerning their structure the contents and composition of essential constituent parts of the hymns Further this study tries to understand how the poets presented their subject matter and elaborated their themes to illustrate by numerous translated quotations the character of their elements praise prayer and references to sacrifices to investigate how far these are kept separate to examine numerous stylistic and phraseological particulars and the various peculiarities of their versification as well as the syntactic aspects of this poetry      The Hymns of the Rigveda Unknown Authors, 2014-06-02 In the dim twilight preceding the dawn of Indian literature the historical imagination can perceive the forms of Aryan warriors the first Western conquerors of Hindustan issuing from those passes in the north west through which the tide of invasion has in successive ages rolled to sweep over the plains of India The earliest poetry of this invading race whose language and culture ultimately overspread the whole continent was composed while its tribes still occupied the territories on both sides of the Indus now known as Eastern Kabulistan and the Panjab That ancient poetry has come down to us in the form of a collection of hymns called the Rigveda The cause which gathered the poems it contains into a single book was scientific and historical The number of hymns comprised in the Rigveda in the only recension which has been preserved that of the akala school is 1017 or if the eleven supplementary hymns called Valakhilya which are inserted in the middle of the eighth book are added 1028 These hymns are grouped in ten books called mandalas or cycles which vary in length except that the tenth contains the same number of

hymns as the first In bulk the hymns of the Rigveda equal it has been calculated the surviving poems of Homer     *The Hymns of the Rigveda* Ralph Thomas Hotchkin Griffith,2019-02-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant     *The Hymns of the Rgveda* ,1976     **The Hymns of the Rig-veda in the Samhita and the Pada Texts by F. Max Muller Reprint** Friedrich Max Müller,1873     **Hymns from the Rigveda** A. A. Macdonell,2016-04-26 From the PREFACE This little book contains a selection of forty hymns from the Rigveda translated in verse corresponding as nearly as is possible in English to the original metres I have endeavoured to make the rendering as close as the use of verse will admit Prose would have been more exact if I had had in view the requirements of linguistic students but the general reader to whom the spirit of the original hymns is the important thing would have lost the means of appreciating to some extent at least the poetic beauty of the Vedic metres which form a considerable element in the literary charm of the hymns Although there are four Vedas this selection of hymns has been made exclusively from the oldest and most important the Rigveda From it the other three have largely borrowed their matter containing otherwise little that would be of interest in this selection The chief metres are here reproduced and each of the most important gods is represented by at least one hymn Of the comparatively few hymns not addressed to deities I have also chosen a certain number dealing with cosmogony and eschatology social life and magical ideas This volume thus furnishes an epitome of the Rigveda the earliest monument of Indian thought the source from which the poetical and religious literature of India has in great part been derived and developed during a period of more than three thousand years The Introduction supplies a brief sketch of the form and contents of the Rigveda enabling the reader to understand more fully the early thought of which these hymns are the outcome There is moreover prefixed to each hymn a short account of the deity addressed or the subject dealt with Without this supplementary aid many notions of a mental atmosphere so far removed from those of our own time would be hardly intelligible In the absence of footnotes some passages may nevertheless seem obscure Those who have any doubts as to the meaning of such may find it useful to refer to my Vedic Reader Oxford 1917 which supplies an exact prose rendering of about half the hymns in the present volume together with full explanatory notes     **The Hymns of the Rig-veda in the**

**Pada-text** Friedrich Max Müller,1873      *Hymns of the R̥gveda Not Employed in the Solemn Ritual* Jan Gonda,1978      **The Hymns of the Rig-Veda in the Samhita Text** ,1873      *Hymns From the Rigveda* A. A. Macdonell,2015-06-15 Excerpt from *Hymns From the Rigveda Selected and Metrically Translated* This little book contains a selection of forty hymns from the Rigveda translated in verse corresponding as nearly as is possible in English to the original metres I have endeavoured to make the rendering as close as the use of verse will admit Prose would have been more exact if I had had in view the requirements of linguistic students but the general reader to whom the spirit of the original hymns is the important thing would have lost the means of appreciating to some extent at least the poetic beauty of the Vedic metres which form a considerable element in the literary charm of the hymns Although there are four Vedas this selection of hymns has been made exclusively from the oldest and most important the Rigveda From it the other three have largely borrowed their matter containing otherwise little that would be of interest in this selection The chief metres are here reproduced and each of the most important gods is represented by at least one hymn Of the comparatively few hymns not addressed to deities I have also chosen a certain number dealing with cosmogony and eschatology social life and magical ideas This volume thus furnishes an epitome of the Rigveda the earliest monument of Indian thought the source from which the poetical and religious literature of India has in great part been derived and developed during a period of more than three thousand years About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Hymns of the Rigveda* ,1891      *The Hymns of the Rigveda* Ralph Thomas Hotchkin Griffith,1890      **The hymns of the Rig-Veda in the Pada text. Reprinted from the editio princeps** Friedrich Max Müller,1873

Yeah, reviewing a book **The Hymns Of The Rgveda** could be credited with your close friends listings. This is just one of the solutions for you to be successful. As understood, realization does not suggest that you have fabulous points.

Comprehending as competently as understanding even more than additional will come up with the money for each success. next-door to, the statement as skillfully as perspicacity of this The Hymns Of The Rgveda can be taken as well as picked to act.
