The I Ching And Modern Man Essays On Metaphysical Implications Of Change:

The I Ching and Modern Man Jung Young Lee, 1975 **The I Ching Handbook** Edward A. Hacker, 1993 The I Ching the Book of Changes is the Chinese classic that is best known and most widely read in Western civilization Although it was written nearly 3000 years ago its wisdom is still applicable to modern issues and in its multi metaphorical themes one may find insights and solutions to the personal social political and philosophical problems encountered today Dr Hacker s I Ching Handbook is the best compendium of study aids and state of the art information now available on the ancient Book of Changes It contains knowledge that allows the reader to achieve a deeper level of understanding of the I Ching It also provides the reader with a formal presentation of the subject that is not found elsewhere The Handbook is excellently referenced with footnotes and appendices to meet the needs of the most assiduous scholar It also contains 2 annotated bibliographies a concordance to the most often studied Wilhelm Baynes translation of the I Ching and a glossary of technical terms Features A comprehensive compendium of study aids to guide the reader through the most popular of ancient Chinese texts Excellent references and 2 bibliographies for further reading Gl [The Passion of God](#) Warren McWilliams, 1985-06

[I Ching](#) Edward Hacker, Steve Moore, 2023-05-31 With over one thousand entries covering a diverse range of sources including books articles unpublished dissertations taped lectures devices and software this is the most comprehensive annotated bibliography of English works on the I Ching This book will be indispensable for all scholars of the I Ching and an invaluable resource for those interested in this classic Chinese book Follow this link www.zhouyi.com to editor Lorraine Patsco s massive I Ching web bibliography featuring over 2500 I Ching related websites *A Systematic Theology from East Asia* Edmond Zi-Kang Chua, 2023-05-26 A Systematic Theology from East Asia Jung Young Lee s Biblical Cultural Trinity considers the Trinitarian theology of Jung Young Lee a twentieth century Korean American theologian unique for being based on the Bible but also inspired by the Book of Changes a classical text from East Asian culture with wide appeal This monograph examines the Christian scriptural traditional and cultural roots of Lee s doctrines of God and the Trinity as twin pillars of his systematic theological system bearing out God s nature purposes and guidance for humanity and the world In addition this book outlines the autobiographical milieu of Lee s theology its contribution to three distinct fields of Trinitarian doctrine immanent economic trinitarianism social Trinity theory and Cappadocian trinitarianism and culminates in an assessment of Lee as a systematic theologian from East Asia comparing Lee with other Asian American theologians

Journeys at the Margin Jung Young Lee, 1999 Being an immigrant is both being in between two cultures that of the immigrant and that of the dominant group and being in both of these cultures It ultimately means being in beyond the two cultures together In this book a group of prominent Asian American Christian theologians reflect in an autobiographical form on how being an Asian and a North American has shaped the way they understand the Christian story As the United States becomes increasingly multiethnic and multicultural this book offers useful suggestions on how to meet the challenge of

cultural diversity in both Church and society The Primary Way Chung-ying Cheng, 2020-09-01 In The Primary Way the distinguished scholar of Chinese philosophy Chung ying Cheng synthesizes his lifetime of work on the Yijing also known as the I Ching or Book of Changes Cheng offers a systematic engagement with the classic Chinese text as a philosophy that is still valuable and relevant today In contemporary philosophical terms Cheng has developed the ontological hermeneutics of the Yijing as well as its philosophical methodology of symbolic reference in a holistic and onto generative system of trigrams and hexagrams The book is organized around eight themes that illuminate Cheng s interpretation of the Yijing as a philosophy for creative human action and transformation He demonstrates how the philosophy of change in the Yijing embodies early Chinese ontology cosmology epistemology and virtue ethics in the interpretation of divinatory judgments Cheng s work shows how the philosophy of change contains a vision of humanity as creatively related to heaven and earth and how it gives positive meaning to any change as part of a ceaseless creativity With this understanding it enables humanity to develop its potential as a partner of heaven and earth **Christianity with an Asian Face** Peter C. Phan, ,2015-02-19

The Holy Spirit, Chi, and the Other Grace Ji-Sun Kim, 2011-09-20 There appears to be a hierarchy of cultures with the West perceiving the East as inferior so much so that it is referred to simply as the Other Because today s world is globally interdependent inter woven and integrative it is pertinent to be open to the cultural spiritual and religious understandings of the East **East Wind** Charles Courtney, 1997 This is a collection of essays by students of the late Jung Young Lee Professor of Systematic Theology at Drew University The essays based on seminar papers written for Dr Lee in 1995 and 1996 show both the quality of the work he nurtured and the breadth and richness of the thought he inspired Contents A Cosmological Return in Theology Understanding Tao From a Theological Perspective Embracing Ambiguity Taoist Principles of Leadership And Their Application To A Unitarian Universalist Congregation The Concept of Time in Whithead and the I Ching Changing Worldview from the West to the I Ching Focused on the Concepts of Time and Space Self in Taoism and Carl G Jung Asian Worldviews on Spirit and Nature From Taoistic and Shamanistic Worldviews Korean Ancestor Worship **The Chinese Face of Jesus Christ:** Roman Malek, 2017-07-05 This volume provides an annotated bibliography of the Western and Chinese literature on Jesus Christ in China It is a sequel to the interdisciplinary collection on the manifold faces and images of Jesus throughout Chinese history from the Tang dynasty 618 907 to the present time The present bibliography broadens and deepens the above mentioned subject matter and also points out aspects which have been addressed in the contributions and anthologies of the previous volumes of The Chinese Face of Jesus Christ but which have not been treated thoroughly Another aim of this bibliography is to initiate and enable further research particularly in China It includes bibliographical data from the beginning of the introduction of Christianity to China until the year 2013 occasionally also until 2014 A list of Key References enables the reader to identify important works on main topics related to Jesus Christ in China Some examples of book covers and title pages are included in the section of Illustrations Other volumes of the collection The Chinese Face of

Jesus Christ are in preparation Vol 3c will present longer quotations from the sources listed in the present bibliography Vol 4b will contain a general index with glossary and Vol 5 will deal with the iconography of Jesus Christ in China Marginality Jung Young Lee,1995-01-01 Marginality proposes a framework that justifies and undergirds development of contextual theologies without becoming itself dominating Jung Young Lee aims to address the dilemmas of contextual theology not by moving one or another group from the margin to the center but by redefining marginality itself as central **The Chinese Face of Jesus Christ: Volume 1** Roman Malek,2023-05-31 The Chinese Face of Jesus Christ Volume 1 *The Chinese Face of Jesus Christ: Volume 3b* Roman Malek,2022-11-12 This collection in five volumes tries to realize the desideratum of a comprehensive interdisciplinary work on the manifold faces and images of Jesus in China which unites the Sinological mission historical theological art historical and other aspects The first three volumes vols L 1 3 contain articles and texts which discuss the faces and images of Jesus Christ from the Tang dynasty to the present time In a separate volume vol L 4 follows an annotated bibliography of the Western and Chinese writings on Jesus Christ in China and a general index with glossary The iconography i e the attempts of the Western missionaries and the Chinese to portray Jesus in an artistic way will be presented in the fifth volume of this collection vol L 5 This unique ongoing project continues to open a new vital lens to learn more about China in its intellectual and cultural dimensions John Witek in Journal of Asian Studies *The Holy Trinity--God for God and God for Us* Chung-Hyun Baik,2011-01-01 In this important book Chung Hyun Baik explores one of the central issues in contemporary Trinitarian theology the relationship between the economic and immanent Trinity Engaging a wide variety of Trinitarian theologians and contemporary philosophers Baik offers a vital analysis of the ontological and epistemological issues that bear on a proper understanding of the doctrine of the Trinity Noting that the meaning of mystery in the New Testament is Jesus Christ himself Baik argues that in order to rightly approach the question of the relationship between the immanent and the economic Trinity it is necessary to understand the mystery of the divine being as centered in Christ himself Moreover Christ is not merely a device for resolving epistemological or ontological tensions but rather the fullness of the divine mystery and as such must be determinative of all such theological and philosophical questions **Journal of Dharma** ,1975 Catalog of Copyright Entries.
