The Illegal Alien A Dagger Into The Heart Of America:

The Illegal Alien Raoul Lowery Contreras, 2004 *ILLEGAL ALIEN* is the most reasoned analysis to date of the controversial issue of illegal immigration and its growing impact on the American economy and way of life Mr Contreras makes a historical comparison of immigration and a well documented scrutiny of the vocal opinions of well known anti immigrant spoke persons as well as those who seek unrestricted openness of our borders With impeccable logic Raoul Lowery Contreras demolishes the drivel emanating from anti immigration fanatics the knuckle dragging element within the Republican Party as he puts it Yet he is clear eyed enough to also take on the professional plantationeers of the radical Chicano movement and their liberal sponsors on America s campuses and at activist minority groups A cry for common sense from the radical center showing American Hispanics can and must punch to the left and to the right Roger E Hernandez Nationally Syndicated Columnist

Assaulted Personhood Craig C. Malbon, 2020-12-14 In 21st century America personhood is under daily assault sometimes with dire consequences Scientist ethicist and ordained minister Craig C Malbon encourages the reader to consider such assaults on personhood endured by victims of abortion ageism Alzheimer s disease drug addiction mental and physical disabilities gender gender orientation racism sexual preference identity politics and our will to power over the other In exploring personhood status Malbon poses difficult questions for us Is personhood assigned as all or nothing or is it a sliding scale based upon criteria arbitrarily aimed at our vulnerabilities Does the voiceless embryo and fetus have advocates who can speak to the moral question of abortion Is the personhood of an economically insecure pregnant woman degraded to the point where lack of access to early termination of pregnancy results in coercive childbearing Does being a member of the LGBTQI community target one for assaults on personhood to the extreme of being killed In delving into the biology and psychology of assaults of self upon the other Malbon sees powerful linkages of everyday assaults on personhood to darker profound original sins that are foundational to the rise of the American empire i e assaults on the indigenous Native Americans and assaults derivative to the institution of slavery upon Africans African Americans and their descendants
