Ekberg, 2000 Winner of the Kemper and Leila Williams Book Prize for the Best Book on Louisiana History French Roots in the Illinois Country creates an entirely new picture of the Illinois country as a single ethnic economic and cultural entity Focusing on the French Creole communities along the Mississippi River Carl J Ekberg shows how land use practices such as medieval style open field agriculture intersected with economic and social issues ranging from the flour trade between Illinois and New Orleans to the significance of the different mentalities of French Creoles and Anglo Americans **Publications** Illinois State Historical Society, 1908

François Vallé and His World Carl J. Ekberg, 2002 In Francois Valle and His World Carl Ekberg provides a fascinating biography of Francois Valle 1716 1783 placing him within the context of his place and time Valle who was born in Beauport Canada immigrated to Upper Louisiana the Illinois Country as a penniless common laborer sometime during the early 1740s Engaged in agriculture lead mining and the Indian trade he ultimately became the wealthiest and most powerful individual in Upper Louisiana although he never learned to read or write Ekberg focuses on Upper Louisiana in colonial times long before Lewis and Clark arrived in the Mississippi River valley and before American sovereignty had reached the eastern bank of the Mississippi He vividly captures the ambience of life in the eighteenth century frontier agricultural society that Valle inhabited shedding new light on the French and Spanish colonial regimes in Louisiana and on the Mississippi River frontier before the Americans arrived Based entirely on primary source documents wills and testaments parish registers of baptisms marriages and burials and Spanish administrative correspondence found in archives ranging from St Louis and Ste Genevieve to New Orleans and Seville Francois Valle and His World traces not only the life of Francois Valle and the lives of his immediate

family members but also the lives of his slaves In doing so it provides a portrait of Missouri s very first black families something that has never before been attempted Ekberg also analyzes how the illiterate Valle became the richest person in all of Upper Louisiana and how he rose in the sociopolitical hierarchy to become an important servant of the Spanish monarchy Francois Valle and His World provides a useful corrective to the fallacious notion that Missouri s history began with the arrival of Lewis and Clark at the turn of the nineteenth century Anyone with an interest in colonial history or the history of the Mississippi River valley will find this book of great value The Western Country in the 17th Century Milo Milton Quaife,2018-09-03 This book which was first published in 1947 comprises the memoirs of Antoine Lamothe Cadillac and Pierre Liette two French officers who during the late 1600 s and early 1700 s lived peaceably with the Indians in the valley of the Mississippi from the Ohio River to north of Lake Superior Antoine Laumet de la Mothe sieur de Cadillac 1658 1730 rose from a modest beginning in Acadia in 1683 as an explorer trapper and a trader of alcohol and furs He achieved various positions of political importance in the colony He was the commander of Fort de Buade modern day St Ignace Michigan in 1694 On July 24 1701 Antoine de La Mothe Cadillac helped by Alphonse de Tonti founded Fort Pontchartrain and the parish of Sainte Anne on the straits le d troit in French which would become the future city of Detroit In 1702 Cadillac requested the monopoly of all fur trading activities and the transfer to his authority of the Amerindian tribes in the area of the straits He became a shareholder in the Company of the Colony After return to the straits he helped in welcoming and settling the native tribes formerly installed at Michillimakinac Pierre Charles de Liette c 1672 1729 was an Italian who moved to French North America and enrolled there as French soldier Born PierCarlo Di Lietto he served as aide to Henri de Tonti as commandant at Fort Saint Louis and Ch cagou and as a captain in the colonial regular troops from 1687 1729 From 1702 1711 De Liette remained the only representative of the French government among the Indians in the Illinois area mainly because of his knowledge of their language He was in charge of mediation between the Miami and Illinois tribes and was successful even with countering the English trade ventures in the area De Liette fought bravely against the Fox tribe and in 1725 was named Commandant of the Illinois country while in charge of the Fort de Chartres Illinois Catholic Historical Review ,1920 **Papers in Illinois History and Transactions for the Year ...** ,1908 **The Farmer's Age** Paul W.
