An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne, 1839 Coming Soon Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow *Coming Soon* is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of Scripture a perspective missing in many Protestant commentaries Catalogue of Books Added to the Library of Congress Library of Congress.
