The Imam And His Islamic Revolution A Journey Into Heaven And Hell:

The Imam and His Islamic Revolution Robin Woodsworth Carlsen, 1982 *A Critical Introduction to Khomeini* Arshin Adib-Moghaddam, 2014-02-17 As the architect of the Iranian Revolution of 1979 Ayatollah Khomeini remains one of the most inspirational and enigmatic figures of the twentieth century The revolution placed Iran at the forefront of Middle East politics and the Islamic revival Twenty years after his death Khomeini is revered as a spiritual and political figurehead in Iran and in large swathes of the Islamic world while in the West he is remembered by many as a dictator and the instigator of Islamist confrontation Arshin Adib Moghaddam brings together distinguished and emerging scholars in this comprehensive volume which covers all aspects of Khomeini's life and critically examines Khomeini the politician the philosopher and the spiritual leader while considering his legacy in Iran and further afield in other parts of the Islamic world and the West Written by scholars from varying disciplines the book will prove invaluable to students and general readers interested in the life and times of Khomeini and the politics that he inspired *Prison in Iran* Nahid Rahimipour Anaraki, 2020-11-06 This book offers a unique look into prisons in Iran and the lives of the prisoners and their families It provides an overview of the history of Iranian prisons depicts the sub culture in contemporary Iranian prisons and highlights the forms that gender discrimination takes behind the prison walls The book draws on the voices of 90 men and women who have been imprisoned in Iran interviewed in 2012 and 2017 across various parts of the Islamic Republic of Iran It presents a different approach to the one proposed by Michel Foucault in *Discipline and Punish* because the author argues that Iran never experienced the age of sobriety in punishment and a slackening of the hold on the body Whilst penal severity in Iran has reduced its scope has now extended beyond prisoners to their families regardless of their age and gender In Iran penalties still target the body but now also affect the bodies of the entire prisoner's family It is not just prisoners who suffer from the lack of food clothes spaces for sleeping health services legal services safety and threats of physical violence and abuse but also their families The book highlights the costs of mothers incarceration for their children It argues that as long as punishment remains the dominant discourse of the penal system the minds and bodies of anyone related to incarcerated offenders will remain under tremendous strain This unique book explores the nature of these systems in a deeply under covered nation to expand understandings of prisons in the non Western world *Iran and The West* Cyrus Ghani, 2013-09-05 First Published in 1987 this volume offers a bibliography of biographies autobiographies and books on contemporary politics by prominent 20th century figures on the topic of Iran **Islamism and Post-Islamism in Iran** Yadullah Shahibzadeh, 2016-06-01 This book is a study of overlooked themes in Iran's contemporary political and intellectual history It investigates the way Iranian Muslim intellectuals have discussed politics and democracy As a history of Iranian Islamism and its transformation to post Islamism this work demonstrates that Muslim intellectuals have enriched the Iranian society epistemologically aesthetically ethically and politically This book examines the internal conflicts of the Islamist ideology as the intellectual underpinnings of

the 1979 Revolution its contribution to the formation of the post revolutionary state and the post Islamist response to the democratic deficits of the post revolutionary state Seeking to overcome the shortcomings of historiographical approaches this book demonstrates the intellectual and political agency of Muslim intellectuals from the 1960s to the present
