The Legend of Sleepy Hollow and Other Stories Washington Irving, 1999-10-01 Before the fall premiere of the new television series read the original legend of Ichabod Crane the

Headless Horseman and the singularly spooky town of Sleepy Hollow in Washington Irving's classic book *When Washington Irving first published this collection of essays sketches and tales originally entitled The Sketch Book of Geoffrey Crayon Gent* readers greeted it with enthusiasm and Irving emerged as America's first successful professional author. This volume includes *The Legend of Sleepy Hollow* and *Rip Van Winkle* two of America's most recognizable and loved works of fiction and displays Irving's ability to depict American landscapes and culture so vividly that readers feel themselves a part of them. And it is on the basis of these two classic tales that Irving is generally credited with inventing the short story as a distinct literary genre. Also included here are gently ironic pieces about life in England that reflect the author's interest in the traditions of the Old World and his longings for his home in the New. *When the King Loses His Head, and Other Stories* Leonid Andreyev, 1919

The Hero of Kargil & Other Stories Lt. Gen. Yashwant Mande, 2021-01-01 First published in the year 1902 renowned British writer Bram Stoker's novel *The Mystery of the Sea* is one of his best horror fictions. Despite of it containing elements of a political thriller the novel has many supernatural looking elements. It tells the story of an Englishman who falls in love with an American heiress involved with the intrigues of the Spanish American War. *Killing Time and Other Stories* Joel Townsley Rogers, 2007-11 From THE JURY BOX Jon Breen's critical column in ELLERY QUEEN Mystery Magazine Joel Townsley Rogers *Killing Time and Other Stories* with introduction and afterword by Alfred Jan Ramble House Six longish pulp stories dating from 1934 to 1947 represent an undervalued writer. The title story about a disabled World War II veteran trying to break into mystery writing offers affectionate parody and fair play detection while the magazine version of the classic *The Red Right Hand* captures its offbeat flavor only slightly less effectively than at full length. The outre plots often involve coincidence though not to the fantastical extent of Harry Stephen Keeler whose complete works are offered by Ramble House. An indispensable companion is the earlier Rogers collection *Night of Horror and Other Stories* Ramble House including the much anthologized minor classic *The Murderer* and a Rogers bibliography compiled by son Tom Rogers expanded by Francis M Nevins. And here's what four of America's favorite authors about town have to say about Ramble House's two Joel Townsley Rogers collections *NIGHT OF HORROR* and *KILLING TIME*. Rogers was the real deal author of a true masterpiece *The Red Right Hand* and a pulp man who could and did do it all. If you want the strong heady thrill of genuine pulp and not the pale imitation that came later latch on to both of these collections immediately. Ed Gorman *Killing Time* collects six pulp novellas by Joel Townsley Rogers including the original version of the classic *The Red Right Hand* along with a story about a pulp writer and a story with a character named Captain Sparrow whom I like to think is a distant cousin to the famous Pirate of the Caribbean. Highly recommended Bill Crider The six tales gathered here are among Joel Townsley Rogers most accomplished pulp magazine contributions of the 30s and 40s cleverly plotted highly atmospheric suspenseful and dripping with menace. The original magazine version of his classic crime novel *The Red Right Hand* and Alfred Jan's insightful analyses of Rogers work are the highlights. *Killing Time* is a must for every connoisseur of vintage

crime fiction Bill Pronzini Ramble House has specialized in bringing neglected and sometimes alternative geniuses back into print First came the great Harry Stephen Keeler then the so clever Norman Berrow More recently Ramble House has been sparking the rehabilitation of Joel Townsley Rogers a versatile and prolific author who seemed to be totally forgotten save for one novel *The Red Right Hand* Killing Time is the second Ramble House collection of Rogers s shorter fiction and every story in it from the 1934 *Murder of the Dead Man* to the 1947 title story hits with a wallop and a sting Bravo Bravissimo Richard A Lupoff
