ROBERT E. MOORE

# The Imperial Maud

**C. Warren Hollister**

### **The Imperial Maud:**

*The Imperial Maud* Robert Moore, 2004-10 When Stuart Tremaine portrait painter for the highest society of Regency London sees Polly Butler in the public room of a remote village inn he knows that she is the model he has always looked for and that he must paint her portrait even if only on the sign of her husband's inn **THE IMPERIAL MAUD** What he does not know is that he will fall in love with his model or that he already has two rivals Will Butler who wants to keep her as an unpaid servant in his inn and Jack Waggoner who would broaden her horizons by taking her to London and a life of prostitution Then the presence in the same village of the mad Countess of Westbury whose husband has stolen Tremaine's wife and the Countess's distraught companion Mary Grey adds confusion to the mix **At Home with the Empire**

Catherine Hall, Sonya O. Rose, 2006-12-21 This pioneering 2006 volume addresses the question of how Britain's empire was lived through everyday practices in church and chapel by readers at home as embodied in sexualities or forms of citizenship as narrated in histories from the eighteenth century to the present Leading historians explore the imperial experience and legacy for those located physically or imaginatively at home from the impact of empire on constructions of womanhood masculinity and class to its influence in shaping literature sexuality visual culture consumption and history writing They assess how people thought imperially not in the sense of political affiliations for or against empire but simply assuming it was there part of the given world that had made them who they were They also show how empire became a contentious focus of attention at certain moments and in particular ways This will be essential reading for scholars and students of modern Britain and its empire **Flight**, 1927 **Henry I** C. Warren Hollister, 2008-10-01 Henry I son of William the Conqueror ruled from 1100 to 1135 a time of fundamental change in the Anglo Norman world This long awaited biography written by one of the most distinguished medievalists of his generation offers a major reassessment of Henry's character and reign

Challenging the dark and dated portrait of the king as brutal greedy and repressive it argues instead that Henry's rule was based on reason and order C Warren Hollister points out that Henry laid the foundations for judicial and financial institutions usually attributed to his grandson Henry II Royal government was centralized and systematized leading to firm stable and peaceful rule for his subjects in both England and Normandy By mid reign Henry I was the most powerful king in Western Europe and with astute diplomacy an intelligence network and strategic marriages of his children legitimate and illegitimate he was able to undermine the various coalitions mounted against him Henry strove throughout his reign to solidify the Anglo Norman dynasty and his marriage linked the Normans to the Old English line Hollister vividly describes Henry's life and reign places them against the political background of the time and provides analytical studies of the king and his magnates the royal administration and relations between king and church The resulting volume is one that will be welcomed by students and general readers alike *Her Majesty* Elsie Thornton Cook, 1928 *The Fatal Crown* Ellen Jones, 2013-01-29 Against the seething political intrigues of twelfth century Europe two royal heirs surrender to passion as they vie for the

English throne At nine Maud an English princess was sent to Germany to become the bride of the Holy Roman Emperor a political alliance with a man her father's age At twenty five the widowed Maud must marry once again this time to fourteen year old Geoffrey Plantagenet But it is with Stephen of Blois Maud's fiercest rival for the British throne that the headstrong princess discovers the true meaning of desire Stephen a descendant of William the Conqueror believes absolutely in his God given right to rule Torn between his illicit passion for Maud and his own towering ambition he knows he must choose Stephen's decision will wrench him from the arms of the woman he loves ignite civil war and lead to a shattering act of betrayal that decades later will come full circle and change the course of English history

**Who's Who in World War I** John Bourne, 2002-06-01 Featuring over 1 000 alphabetically arranged biographical entries Who's Who in World War One builds up a complete and vivid picture of the major figures of the Great War The subjects are drawn not only from the political and military spheres of all thirty two nations involved but also from the social and cultural life of the period This book's breadth of coverage makes it the definitive biographical guide to the First World War from the British air ace Albert Ball to the German foreign secretary Richard von Kuhlmann from David Lloyd George to Rasputin from the British war poet Siegfried Sassoon to the Serbian assassin Trifko Grabez and the Emperor Wilhelm II Each entry provides biographical data and basic factual information about its subject's role in the Great War and in the case of major figures there is also an assessment of their reputation in the light of current scholarship Maps cross referencing a list of military ranks a guide to further reading and a thorough introduction complete what is at once a comprehensive work of reference and a fascinating overview of a crucial period in twentieth century history

**Truth**, 1902

**Skirmishing** Skirmishing, Author of Cousin Stella, Mrs. Charles Jenkin, 1862

**Roman Military Service** Sara Elise Phang, 2008-01-14 In this book Sara Phang explores the ideals and realities of Roman military discipline which regulated the behaviour of soldiers in combat and their punishment as well as economic aspects of their service including compensation and other benefits work and consumption This thematically organized study analyzes these aspects of discipline using both literary and documentary sources Phang emphasizes social and cultural conflicts in the Roman army Contrary to the impression that Roman emperors bought their soldiers and indulged them discipline restrained such behaviour and legitimized and stabilized the imperial power Phang argues that emperors and aristocratic commanders gained prestige from imposing discipline while displaying leadership in person and a willingness to compromise with a restive soldiery

**The Prometheus Bomb** Neil J. Sullivan, 2016-12 During World War II the lives of millions of Americans lay precariously in the hands of a few brilliant scientists who raced to develop the first weapon of mass destruction Elected officials gave the scientists free rein in the Manhattan Project without understanding the complexities and dangers involved in splitting the atom The Manhattan Project was the first example of a new type of choice for congressmen presidents and other government officials life and death on a national scale From that moment our government began fashioning public policy for issues of scientific development discoveries and inventions that could secure or threaten

our existence and our future But those same men and women had no training in such fields did not understand the ramifications of the research and relied on incomplete information to form potentially life changing decisions Through the story of the Manhattan Project Neil J Sullivan asks by what criteria the people in charge at the time made such critical decisions He also ponders how similar judgments are reached today with similar incomprehension from those at the top as our society dives down the potential rabbit hole of bioengineering nanotechnology and scientific developments yet to come

Woman and Empire Indrani Sen,2002 Drawing Upon A Wide Range And Variety Of Literary And Non Literary Sources Of Nineteenth Century British India Woman And Empire Examines Perceptions Of Gender Over The 1858 1900 Period The Book Focuses On Representations Of White And Indian Women In Addition To Women Of Mixed Races In Fiction As Well As In Colonial Newspapers And Journals The Canadian Monthly and National Review Graeme Mercer Adam,George

Stewart,1878 **The Queens of Love and War** Ellen Jones,2013-05-21 Three engrossing historical novels in one volume bring the Plantagenets and the splendor and scheming of twelfth century Europe to vivid life In *The Fatal Crown* set against the seething political intrigues of twelfth century Europe two royal heirs surrender to passion as they vie for the most glittering treacherous prize of all the English throne At twenty five the widowed Maud must marry once again this time to fourteen year old Geoffrey Plantagenet But it is with Stephen of Blois Maud s fiercest rival for the British throne that the headstrong princess discovers the true meaning of desire In *Beloved Enemy* Aquitaine is under the French king s safekeeping and Eleanor the Duke of Aquitaine s eldest daughter knows she must wed Prince Louis in order to insure the future of her beloved duchy Fiercely independent filled with untapped desire the woman who would be queen must provide Louis VII her monkish husband with heirs But it is young Henry of Anjou who catches Eleanor s eye and sets fire to her heart And in *Gilded Cages* Eleanor of Aquitaine and Henry Plantagenet whose marriage was born of power politics and an all consuming fiery love rule a vast kingdom At first they work to unify and repair their war torn lands before being torn apart by intrigue adultery and deadly revenge *Queens of the Conquest* Alison Weir,2017-09-26 In the first volume of an exciting new series bestselling author Alison Weir brings the dramatic reigns of England s medieval queens to life The lives of England s medieval queens were packed with incident love intrigue betrayal adultery and warfare but their stories have been largely obscured by centuries of myth and omission Now esteemed biographer Alison Weir provides a fresh perspective and restores these women to their rightful place in history Spanning the years from the Norman conquest in 1066 to the dawn of a new era in 1154 when Henry II succeeded to the throne and Eleanor of Aquitaine the first Plantagenet queen was crowned this epic book brings to vivid life five women including Matilda of Flanders wife of William the Conqueror the first Norman king Matilda of Scotland revered as the common mother of all England and Empress Maud England s first female ruler whose son King Henry II would go on to found the Plantagenet dynasty More than those who came before or after them these Norman consorts were recognized as equal sharers in sovereignty Without the support of their wives the Norman kings could not

have ruled their disparate dominions as effectively Drawing from the most reliable contemporary sources Weir skillfully strips away centuries of romantic lore to share a balanced and authentic take on the importance of these female monarchs What emerges is a seamless royal saga an all encompassing portrait of English medieval queenship and a sweeping panorama of British history Praise for Queens of the Conquest Best selling author Alison Weir pens another readable well researched English history the first in a proposed four volume series on England s medieval queens Weir s research skills and storytelling ability combine beautifully to tell a fascinating story supported by excellent historical research Fans of her fiction and nonfiction will enjoy this latest work Library Journal starred review Another sound feminist resurrection by a seasoned historian Though Norman queens were largely unknowable leave it to this prolific historical biographer to bring them to life As usual Weir is meticulous in her research Kirkus Reviews      **The Science, Art, Philosophy and Literature of Education.** ,1908      **Education** ,1908      **The Advanced Register of the Holstein-Friesian Association of America** ,1923      **The Advanced Register Year Book of the Holstein-Friesian Association of America** Holstein-Friesian Association of America,1923      **The Peerage and Baronetage of the British Empire as at Present Existing** Edmund Lodge,1901
