activism Commodity Activism reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded Celebrity and Mediated Social Connections Neil M. Alperstein, 2019-05-16 Celebrity and Mediated Social Connections is a critical examination of the multiple realities of the mediated culture we traverse extending from our imaginary inner worlds to the imagined communities of digital media Chapters explore the dialogic at work when we connect with celebrities and internalize aspects of their personas due to the various social roles they serve within our everyday lives What might begin as strong identification and internalization within our imaginary worlds in this digital age sometimes seeps out as we connect to celebrities their fans friends and followers in ways that were not formerly possible The book contains topics that range from the degradation of micro celebrities the role of celebrities in promoting prescription drugs and their role in contemporary social movements The common thread that runs through the book presents a mediated world that paradoxically allows if not encourages people to daydream engage in stream of consciousness thinking and fantasize about celebrities all while concurrently compelling us to engage in a digitally based objective world. The possibility of interaction on and through digital media intensifies the emotional connection between celebrity and fan The more personal details one gives up the closer we feel we become digital intimacy based on the excessive self Digital media entice us to engage and remain tethered to technology staying continuously connected so as not to miss the latest post or meme To suggest we should build a proverbial wall between the two imaginary and objective worlds runs counter to the reality of an always on always connected culture in which we presently live Blasian Invasion Myra S. Washington, 2017-10-26 Myra S Washington probes the social construction of race through the mixed race identity of Blasians people of Black and Asian ancestry She looks at the construction of the identifier Blasian and how this term went from being undefined to forming a significant role in popular media Today Blasian has emerged as not just an identity Black Asian mixed race people can claim but also a popular brand within the industry and a signifier in the culture at large Washington tracks the transformation of Blasian from being an unmentioned category to a recognized status applied to other Blasian figures in media Blasians have been neglected as a meaningful category of people in research despite an extensive history of Black and Asian interactions within the United States and abroad Washington explains that even though Americans have mixed in every way possible racial mixing is framed in certain ways which almost always seem to involve Whiteness Unsurprisingly media discourses about Blasians mostly conform to usual scripts already created reproduced and familiar to audiences about monoracial Blacks and Asians In the first book on this subject Washington regards Blasians as belonging to more than one community given their multiple histories and experiences Moving beyond dominant rhetoric she does not harp on defining or categorizing mixed race but instead recognizes the multiplicities of Blasians and the process by which they obtain meaning

Washington uses celebrities including Kimora Lee Dwayne Johnson Hines Ward and Tiger Woods to highlight how they challenge and destabilize current racial debate create spaces for themselves and change the narratives that frame multiracial people Finally Washington asserts Blasians as evidence not only for the fluidity of identities but also for the limitations of **Star Struck** Sam Riley, 2009-12-09 This balanced examination looks at America's pervasive reductive racial binaries celebrity culture concentrating on the period from 1950 to the present day Star Struck An Encyclopedia of Celebrity Culture is neither a stern critic nor an apologist for celebrity infatuation a phenomenon that sometimes supplants more weighty matters yet constitutes one of our nation's biggest exports This encyclopedia covers American celebrity culture from 1950 to 2008 examining its various aspects and its impact through 86 entries by 30 expert contributors Demonstrating that all celebrities are famous but not all famous people are celebrities the book cuts across the various entertainment medias and their legions of individual stars It looks at sports celebrities and examines the role of celebrity in more serious pursuits and institutions such as the news media corporations politics the arts medicine and the law Also included are entries devoted to such topics as paranoia and celebrity one name celebrities celebrity nicknames family unit celebrity sidekick celebrities and even criminal celebrities Issues for Debate in Sociology CQ Researcher, 2009-09-04 Issues for Debate in Sociology Selections from CQ Researcher is a contemporary collection of articles covering core issues within the broad topic of introductory sociology The book is intended to supplement core courses in the Sociology curriculum titled Introductory Sociology or Principles of Sociology The book has a 5 part structure of topics generally covered in introductory sociology courses and texts Paul and the Ancient Celebrity Circuit James R.
