The Initiates Of Greece Rome:

The Initiation of the Second Macedonian War Valerie M. Warrior, 1996 A study into accounts of Rome's foreign policy surrounding an offensive against Philip V and Greece. It reopens events leading up to the war and military/diplomatic developments and interprets events in the narrative describing Rome's first major engagement with the Eastern Mediterranean.

Initiation in Ancient Greek Rituals and Narratives David Dodd, Christopher A. Faraone, 2013-09-05
Scholars of classical history and literature have for more than a century accepted initiation as a tool for understanding a variety of obscure rituals and myths ranging from the ancient Greek wedding and adolescent haircutting rituals to initiatory motifs or structures in Greek myth, comedy and tragedy. In this book, an international group of experts including Gloria Ferrari, Fritz Graf and Bruce Lincoln critique many of these past studies and challenge strongly the tradition of privileging the concept of initiation as a tool for studying social performances and literary texts in which changes in status or group membership occur in unusual ways. These new modes of research mark an important turning point in the modern study of the religion and myths of ancient Greece and Rome, making this a valuable collection across a number of classical subjects.

Global Leadership Initiatives for Conflict Resolution and Peacebuilding Campbell, Andrew H., 2018-03-23
One global leadership challenge is managing the complexity of the political and economic climate of a society. As the global environment changes, it is essential for global leaders to adapt and develop flexible strategies for resolving conflicts and achieving peace. *Global Leadership Initiatives for Conflict Resolution and Peacebuilding* provides emerging research on a leader's role in the international, national and nongovernmental organization within post-conflict resolution and peaceful leadership. While highlighting topics such as civil society, organizations, leadership education and social reconstruction, this book explores leadership theories and practice models to conceptualize the intersection of leadership within conflict management and resolution. This book is an important resource for leaders, scholars, practitioners, educators and researchers seeking current research on the strategic and diplomatic methods of a peaceful global organization.

With the World's People: Greece. Rome. Southern Italy John Clark Ridpath, 1913
Becoming a Man in Ancient Greece and Rome Jan N. Bremmer, 2021-08-06
In this work, Jan N. Bremmer brings together articles on Greek and Roman myths and rituals of male initiation which have all been updated and where necessary revised and translated into English. The preface sketches the rise of the initiatory paradigm within a wider anthropological and Indo-European perspective and discusses the problem of noting ritual elements in mythical reflections. The first of two following sections concentrates on initiatory motifs in a series of famous myths such as education by shepherds and wild men, Heracles, Centaurs, the travesty of Dionysos and Kaineus, the defeat of a monster, Odysseus vs the Cyclops, Oedipus and the Sphinx, and warring and wandering groups of young men: the Trojan War, Meleager, Orpheus, Theseus and Peirithoos. The second section focuses on historical rituals beginning with pederasty and the symposium. The author then moves on to the importance of the maternal family and fosterage in the initiatory process before

ending with an archaic Latin inscription that reveals the contours of a group of young men in action in the full light of history

Tarot and the Path of Initiation Henry Ho, 2013-11-18 This book came into being from the authors exasperation at the ignorance of many users of the Thoth tarot deck They prefer to go by their intuition rather than study Crowleys companion book to the deck The Book of Thoth Its too dense they cry Im not interested in these philosophies I just want to read Tarot The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck For the decks purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowleys legacy out of duty It was due to Crowleys belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth

Initiation Into the Grail Mysteries Grailmaster, Timothy A. Storlie, 2001-04-24 Significant new spiritual impulses come into our world through the strivings and invocations of unique men and women who have achieved a close attunement with the invisible guides of humanity known in Hermetic terms as Spiritual Hierarchy The Temple of the Holy Grail is a new spiritual impulse given in the latter quarter of the twentieth century It is a mystery school designed to empower spiritually mature women and men with Hierarchical attunement for esoteric world service Thus Hierarchy has created an initiatic mystery school based not upon secrecy but accessibility and not upon hidden geographical centers but a worldwide virtual platform T H G is not dependent upon secret adepts but upon self empowerment It is focused not merely upon the spiritual achievements of the past but upon the coming generation of spiritually gifted individuals who are attuning themselves to Divine Will and Hierarchy T H G exists to facilitate the empowerment of those spiritually talented individuals who have the potential to contribute wonderful new achievements of soul and spirit for the sake of the New Humanity It is a tool to be used by such people

Initiation into the Mysteries of the Ancient World Jan N. Bremmer, 2014-07-28 The ancient Mysteries have long attracted the interest of scholars an interest that goes back at least to the time of the Reformation After a period of interest around the turn of the twentieth century recent decades have seen an important study of Walter Burkert 1987 Yet his thematic approach makes it hard to see how the actual initiation into the Mysteries took place To do precisely that is the aim of this book It gives a thick description of the major Mysteries not only of the famous Eleusinian Mysteries but also those located at the interface of Greece and Anatolia the Mysteries of Samothrace Imbros and Lemnos as well as those of the Corybants It then proceeds to look at the Orphic Bacchic Mysteries which have become increasingly better understood due to the many discoveries of new texts in the recent times Having looked at classical Greece we move on to the Roman Empire where we study not only the lesser Mysteries which we know especially from Pausanias but also the new ones of Isis and Mithras We conclude our book with a discussion of the possible influence of the Mysteries on emerging Christianity Its

detailed references and up to date bibliography will make this book indispensable for any scholar interested in the Mysteries and ancient religion but also for those scholars who work on initiation or esoteric rituals which were often inspired by the ancient Mysteries

Love is the highest religion Samael Aun Weor The First Public Revelation of the Sexual Teachings in Every Religion All religions have symbols myths and cryptic scriptures that point towards sex but their real meanings were kept secret The Perfect Matrimony was the first book to reveal those secrets to the public The Western religions say that our suffering began when Adam and Eve ate the forbidden fruit an obviously sexual symbol that was never before explained to the public We are suffering today because we are still eating that forbidden fruit When we stop repeating that mistake we can return to Eden a Hebrew word that literally means bliss pleasure delight The forbidden fruit is related to sex Sex is a terrific power that can create or destroy Everything that lives was created through sex Sex is the source of all life even spiritual life Even the soul is created through sex but not the sexual act of the common person To create something divine requires divine sacred sexuality which is very different from the common sexual act To create spiritually we need sexuality that is pure divine holy This is not a book of theories or beliefs but a practical handbook that empowers you to experience the truth for yourself It is filled with practical exercises of sacred sexuality for singles and couples meditation astral projection mantras awakening kundalini and chakras and much more After putting these teachings into daily practice the scriptures of all religions become radiantly clear

your spiritual practices become truly effective and powerful and the empty feeling in your heart is replaced by something magical and alive You will then know that real religion is not found in organizations buildings or books it is found in the heart that is inflamed with divine love If you only want one book about real spiritual practice The Perfect Matrimony has everything you need Are you ready for a spiritual and sexual revolution The Great Initiates Edouard Schuré,1913 *Initiation and Its Results* Rudolf Steiner,1909 The Oxford Handbook of Hellenic Studies George Boys-Stones,Barbara Graziosi,Phiroze Vasunia,2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been is and might be studied It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the way we think about ourselves today Experience the Mystery David Regan,1994 A Liturgical Press book Revision of the author s thesis doctoral Pontifical Gregorian University at Rome 1992 Includes bibliographical references and index *Solitary Wicca* Tamara Von Forslun,2021-04-28 As a leading and respected Elder in the world of Wicca and Witchcraft also as a teacher for over 50 years I have assembled for the 21st century Solitary Wiccan or Witch all the training given to the Seeker prior to Initiation into a Traditional Coven or Clan This book is all that is the required of a Witchling The Craft is not just about Spells or Magic as this is taught later it is about Nature listening and learning from the spirits of Nature spirituality of the Divine Feminine and becoming one with the magic and mystery within our world and beyond This book covers every topic needed to understand the full extent of what is within the world of the magic of Wicca in theory and practice Since the birth of the internet in the 80s less and less working covens remain to teach our Seekers the deeper insight and wisdom This book will teach the Seeker how to climb the spiritual ladder of Wicca and find their own magic and Truth
