The Great Initiates Edouard Schuré,1913 **Rama and Moses** Edouard Schuré,1910 **the secret history of world religions** Edouard Schuré, Fred Rothwell,1986 **The Initiation of Moses in Egypt and His Flight to Jethro** Edouard Schure,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **Exodus** Waldemar Janzen,2000-11-01 To whom does primary allegiance belong To great human empires or to the God whose elusive presence we can never fully grasp Waldemar Janzen offers a fresh approach to the book of Exodus The liberation from Egypt is a prelude to Israel s unique calling to model before the nations a new life of service under God Exodus portrays how God through his servant Moses wages a dramatic battle with Egypt s mighty ruler for the release of enslaved Israel The watching Israel wavers Is the Lord among us or not Even after Israel covenants to be God s priestly kingdom and holy nation Israel worships a golden calf Once more God s grace wrests Israel away this time from slavery to doubts fears and self centeredness The people then focus faith on the imageless presence of God in their midst God still wrestles for his people today **Hours with the Bible, Or, The Scriptures in the Light of Modern Knowledge** Cunningham Geikie,1892 *An Universal History, from the Earliest Account of Time to the Present* ,1740 **Exodus (Teach the Text Commentary Series)** T. God to rescue the Jews from bondage in Egypt During the forty years he spent as a shepherd for Jethro he would have known that Jethro the High Priest taught that there was only one God Yahweh and that all males should be circumcised Since Moses later chose Yahweh as the sole God of the Jews it would appear that this concept was learned from Jethro Why did Moses learn Hebrew How did he find out that he was a Jew Why at age forty was he still unmarried How did he come to believe that there was only one God Why did he covet the land of Canaan so badly How did he manage to free the Jews from bondage How did the Jews cross the Sea of Reeds Why did he hate the Amalekites and Canaanites Why did he order the execution of thousands of his own people In many different places it is stated that God will destroy wipe out eradicate the Hittites Amorites Hivites Canaanites and that the characteristics of God of vanity anger jealousy vindictiveness and murderous intent which Moses describes are actually those of Moses himself *Egyptian Light and Hebrew Fire* Karl W. Luckert,1991-11-01 Egyptian Light and Hebrew Fire focuses on the cosmology of ancient Egypt and on derived traditions The book outlines how the ancient Egyptian world view affected Hebrew religion Greek philosophy Neoplatonism Gnosticism and early Christianity It traces ideological roots of Western civilization back to its earliest known prototypes in the Pyramid and Coffin texts of ancient Egypt It challenges us to refocus some of our history of early Greek philosophy and it positively identifies Neoplatonism as a philosophized and scarcely disguised neo Egyptian theology
