INNOCENTS WILLIAM. ARCHIBALD, 2018 **The Innocents** William Archibald, 2017-11-21 Excerpt from The Innocents A New Play This as it seems to me 18 what Mr Archibald is implying in the agonizing close of his play But it is not the meaning of The Innocents A work of art as this is has many meanings and they vary with the time and the audience One may be moved by a work of art as audiences are by this one without being able to reduce its significance to a set formula Indeed that one cannot do so provided also that one is moved is often a sign that a work of art has pretensions beyond the transient So if we are a little puzzled by The Innocents let us not blame either ourselves or the play Let us ask ourselves only whether we were filled with a vague troubling sense of the evil that exists in the world in us and even in the very heart of innocence If we do have this sense the play has given us much of what it has to give About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Digby Plays* Frederick James Furnivall, 2025-09-27 Reprint of the original first published in 1896 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Innocents** William Archibald, 1951 *The Innocents.*
