Updating the Literary West, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence

and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister      Encyclopedia of the American Novel Abby H. member of the intellectual elite Her eventful life included stretches of dire poverty romantic escapades and dustups with authors she eviscerated in The New York Review of Books of which she was a cofounder She formed lasting friendships with literary notables including Mary McCarthy Adrienne Rich and Susan Sontag who appreciated her sharp wit and relish for gossip progressive politics and great literature Hardwick s life and writing were shaped by a turbulent marriage to the poet Robert Lowell whom she adored standing by faithfully through his episodes of bipolar illness Lowell s decision to publish excerpts from her private letters in The Dolphin greatly distressed Hardwick and ignited a major literary controversy Hardwick emerged from the scandal with the clarity and wisdom that illuminate her brilliant work most notably Sleepless Nights a daring lyrical and keenly perceptive collage of reflections and glimpses of people encountered as they stumble through lives of deprivation or privilege A Splendid Intelligence finally gives Hardwick her due as one of the great postwar cultural critics Ranging over a broad territory from the depiction of women in classic novels to the civil rights movement from theater in New York to life in Brazil Kentucky and Maine Hardwick s essays remain strikingly original fiercely opinionated and exquisitely wrought In this lively and illuminating biography Cathy Curtis offers an intimate portrait of an exceptional woman who vigorously forged her own identity on and off the page A Mother in History Jean Stafford,2021-05-04 Jean Stafford s unforgettable portrait of Marguerite Oswald the mother of Lee Harvey Oswald Curious about the influences and accidents and loves and antipathies and idiosyncrasies that shaped Lee Harvey Oswald the novelist and short story writer Jean Stafford spent nine hours interviewing Marguerite Oswald in May 1965 A Mother in History 1966 is the acerbic result an indelible portrait of a woman hungry for money fame and attention full of righteous self pity and relentless in professing her son s blamelessness Killing does not necessarily mean badness You find killing in some very fine homes for one reason or another Stafford s controversial profile elicited mixed reviews Newsweek praised it as a masterpiece of character study while Time called it the most abrasively unpleasant book in recent years and angry readers accused her of seeking to enthrone a wicked woman and demolish the sacred throne of motherhood It captures a moment in history when the trauma of Dallas was still raw Lee Harvey Oswald s guilt was widely accepted and Marguerite Oswald with her obsessive research into hidden truths and the machinations of an omnipresent they appeared to be a singular prisoner of maternal delusion and not a harbinger of the decades to come The Life You Save May Be Your Own Paul Elie,2024-06-04 A Chicago Tribune Best Book of the Year A fascinating multiple biography of four of the most influential Catholic literary figures of the 20th century Booklist Winner PEN Martha Albrand Award for First Nonfiction Finalist National Book Critics Circle Award An Atlantic Monthly Book of the Year A San Francisco Chronicle Best Book of the Year A San Jose Mercury News Top Book of the Year Thomas Merton was a Trappist monk in Kentucky Dorothy Day the founder of the Catholic Worker movement in New York Flannery O Connor a Christ haunted literary prodigy in Georgia Walker Percy a doctor in New Orleans who quit medicine to write fiction and philosophy In the mid twentieth century these four American Catholics came to believe that the

best way to explore the questions of religious faith was to write about them in works that readers of all kinds could admire A friend came up with a name for them the School of the Holy Ghost and for three decades they exchanged letters ardently read one another's books and grappled with what one of them called a predicament shared in common A pilgrimage is a journey taken in light of a story and in *The Life You Save May Be Your Own* Paul Elie tells these writers story as a pilgrimage from the God obsessed literary past of Dante and Dostoevsky out into the thrilling chaos of postwar American life It is a story of how the Catholic faith in their vision of things took on forms the faithful could not have anticipated And it is a story about the ways we look to great books and writers to help us make sense of our experience about the power of literature to change to save our lives Reminds us of what it means to live authentically in a world that seems determined to dull our senses and our intellect and our spirits with doublespeak nonsense meaningless distraction Alice McDermott *Commonweal* Lucid humane poignant and wise As a work of the spirit it is universal and in no way sectarian Harold Bloom An engrossing smartly conceived and perfectly realized work Tom Nolan *San Francisco Chronicle* An elegant intelligent blend of biography and literary criticism Ben Lytal *Atlanta Journal Constitution* *Lost Puritan* Paul L. Stearns, Jan Lewis, 1998 Emotions lie at our very core as human beings How we process and grapple with our

emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions
