## **The Iww And The Paterson Silk Strike Of 1913:**

The I.W.W. and the Paterson Silk Strike of 1913 Anne Huber Tripp,1987 The Paterson New Jersey silk strike of 1913 was one of the most important strikes of the American labor movement It lasted over five months and involved more than 25 000 silk workers but failed despite the commitment and leadership of the Industrial Workers of the World Anne Tripp explores the reasons for the failure as well as the strike s effect on the future of both Paterson and the I W W Jacket The I.W.W. and the Paterson Silk Strike of 1913 Marcia Graham Synnott,1961 **The Fragile Bridge** Steve Golin,1988 In this full length study of the 1913 Paterson silk strike Steve Golin examines the creative collaboration between the silk workers organizers from the Industrial Workers of the World and Greenwich Village intellectuals Although the strike was defeated this alliance could become a model for the American left because it suggests the possibilities of connecting economic political and cultural struggles Combining perspectives from labor history social history and intellectual history Golin argues that while the silk workers began the 1913 strike and controlled it themselves the IWW helped them create institutions that supported the strike and reinforced its radically democratic character The deadlock in Paterson dictated the need for a bridge to New York that was facilitated by a growing mutual trust between the Wobblies and intellectuals from Greenwich Village At the height of the struggle the IWW and the Village radicals joined the workers in presenting a powerful strike pageant in Madison Square Garden The story of the 1913 silk strike is important because it challenges long held conservative assumptions about labor history including the elitist role of skilled workers the bureaucratic function of union organization and the irrelevance of intellectuals Although the strikers were ultimately defeated the strike s failure had more damaging consequences for the IWW and the intellectuals than for the workers themselves and Golin views this loss as a major turning point for the American left Author note Steve Golin is Professor of History at Bloomfield College in New Jersey **A New Jersey Anthology** Maxine N. Lurie,2010-01-27 This anthology contains seventeen essays covering eighteenth century agrarian unrest the Revolutionary War politics in the Jackson era feminism and the women s movements slavery from the seventeenth to the nineteenth centuries strikes and labor struggles land use and regional planning issues Blacks in Newark the current political state of New Jersey and more The contributors are Michal R Belknap Patricia U Bonomi Lyle W Dorsett John P Dwyer Jim Fisher Charles E Funnell Steve Golin Bradley M Gottfried Paul E Johnson David L Kirp Mark Edward Lender Maxine N Lurie Richard P McCormick Mary R Murrin Larry A Rosenthal Amy Shapiro Warren E Stickle III Lorraine E Williams Giles R Wright Robin Hood in the Silk City Robert H. Zieger,1966 **Carlo Tresca** Nunzio Pernicone,2010-08-01 An in depth biography of a charismatic labor leader anarchist and early opponent of Italian fascism *A History of America in Ten Strikes* Erik Loomis,2018-10-02 Recommended by The Nation the New Republic Current Affairs Bustle In These Times An entertaining tough minded and strenuously argued The Nation account of ten moments when workers fought to change the balance of power in America A brilliantly recounted American history through the prism

of major labor struggles with critically important lessons for those who seek a better future for working people and the world. Noam Chomsky's powerful and accessible *A History of America in Ten Strikes* challenges all of our contemporary assumptions around labor unions and American workers. In this brilliant book, labor historian Erik Loomis recounts ten critical workers strikes in American labor history that everyone needs to know about and then provides an annotated list of the 150 most important moments in American labor history in the appendix. From the Lowell Mill Girls strike in the 1830s to Justice for Janitors in 1990, these labor uprisings do not just reflect the times in which they occurred but speak directly to the present moment. For example, we often think that Lincoln ended slavery by proclaiming the slaves emancipated, but Loomis shows that they freed themselves during the Civil War by simply withdrawing their labor. He shows how the hopes and aspirations of a generation were made into demands at a GM plant in Lordstown in 1972. And he takes us to the forests of the Pacific Northwest in the early nineteenth century where the radical organizers known as the Wobblies made their biggest inroads against the power of bosses. But there were also moments when the movement was crushed by corporations and the government. Loomis helps us understand the present perilous condition of American workers and draws lessons from both the victories and defeats of the past. In crystalline narratives, labor historian Erik Loomis lifts the curtain on workers' struggles, giving us a fresh perspective on American history from the boots up. Strikes include: Lowell Mill Girls Strike, Massachusetts, 1830-40; Slaves on Strike, The Confederacy, 1861-65; The Eight Hour Day Strikes, Chicago, 1886; The Anthracite Strike, Pennsylvania, 1902; The Bread and Roses Strike, Massachusetts, 1912; The Flint Sit Down Strike, Michigan, 1937; The Oakland General Strike, California, 1946; Lordstown, Ohio, 1972; Air Traffic Controllers, 1981; Justice for Janitors, Los Angeles, 1990.

**The I.W.W.** Paul Frederick Brissenden, 1919

**The Encyclopedia of Strikes in American History** Aaron

Brenner, Benjamin Day, Immanuel Ness, 2015-01-28. Strikes have been part of American labor relations from colonial days to the present, reflecting the widespread class conflict that has run throughout the nation's history. Against employers and their goons, against the police, the National Guard, local, state, and national officials, against racist vigilantes, against their union leaders, and against each other, American workers have walked off the job for higher wages, better benefits, bargaining rights, legislation, job control, and just plain dignity. At times, their actions have motivated groundbreaking legislation defining new rights for all citizens; at other times, they have led to loss of workers' lives. This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America. To provide the analytical tools for understanding strikes, the volume includes two types of essays: those focused on an industry or economic sector and those focused on a theme. Each industry essay introduces a group of workers and their employers and places them in their economic, political, and community contexts. The essay then describes the industry's various strikes, including the main issues involved and outcomes achieved, and assesses the impact of the strikes on the industry over time. Thematic essays address questions that can only be answered by looking at a variety of strikes across industries, groups of workers, and time, such as why the number of strikes

has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the works appeal **American Historical**

**Pageantry** David Glassberg,1990 What images shape Americans perceptions of their past How do particular versions of history become the public history And how have these views changed over time David Glassberg explores these important questions by examining the pageantry craze of the **Elizabeth Gurley Flynn** Mary Anne Trasciatti,2025 Elizabeth Gurley Flynn is one of the most important figures in the history of American labor This stirring biography traces her personal and political life foregrounding her commitment to civil liberties as the enduring force behind her worldview and returns her to her rightful place at the heart of the working class movement **The Girl Who Dared to Defy** Jane Little

Botkin,2021-02-25 In the wake of the violent labor disputes in Colorado s two year Coalfield War a young woman and single mother resolved in 1916 to change the status quo for girls as well to do women in Denver referred to their hired help Her name was Jane Street and this compelling biography is the first to chronicle her defiant efforts and devastating misfortunes as a leader of the so called housemaid rebellion A native of Indiana Jane Street 1887 1966 began her activist endeavors as an organizer for the Industrial Workers of the World IWW In riveting detail author Jane Little Botkin recounts Street s attempts to orchestrate a domestic mutiny against Denver s elitist Capitol Hill women including wives of the state s national guard officers and Colorado Fuel and Iron operators It did not take long for the housemaid rebellion to make local and national news Despite the IWW s initial support of the housemaids fight for fairness and better pay Street soon found herself engaged in a gender war the target of sexism within the very organization she worked so hard to support The abuses she suffered ranged from sabotage and betrayal to arrests and abandonment After the United States entered World War I and the first Red Scare arose Street s battle to balance motherhood and labor organizing began to take its toll Legal troubles broken relationships and poverty threatened her very existence In previous western labor and women s studies accounts Jane Street has figured only marginally credited in passing as the founder of a housemaids union To unearth the rich detail of her story Botkin has combed through case histories family archives and perhaps most significant Street s own writings which express her greatest joys her deepest sorrows and her unfortunate dealings with systematic injustice Setting Jane s story within the wider context of early twentieth century class struggles and the women s suffrage movement **The Girl Who Dared to Defy** paints a fascinating and ultimately heartbreaking portrait of one woman s courageous fight for equality **Rethinking**

**Revolutions from 1905 to 1934** Stefan Berger,Klaus Weinbauer,2022-12-13 This edited collection offers a timely and original perspective on the many upheavals and revolutions that broke out across the world during the earlytwentieth century With previous research tending to confine revolutions within national borders this book sets out to place them within a broader global sphere of thought and action The authors explore the time phase between the Russian Revolution of 1905

and the Asturian Revolution of 1934 including cases from South Africa Australia China the Middle East and Latin America Providing insights from leading scholars in the field this collection highlights the interconnectedness and transnationalism of upheavals and revolutions offering a new approach which integrates political social and cultural history Chapter 8 is available open access under a Creative Commons Attribution 4.0 International License via [Link springer.com](https://link.springer.com)

*A People's Art History of the United States* Nicolas Lampert, 2013-11-05 Most people outside of the art world view art as something that is foreign to their experiences and everyday lives *A People's Art History of the United States* places art history squarely in the rough and tumble of politics social struggles and the fight for justice from the colonial era through the present day Author and radical artist Nicolas Lampert combines historical sweep with detailed examinations of individual artists and works in a politically charged narrative that spans the conquest of the Americas the American Revolution slavery and abolition western expansion the suffragette movement and feminism civil rights movements environmental movements LGBT movements antiglobalization movements contemporary antiwar movements and beyond *A People's Art History of the United States* introduces us to key works of American radical art alongside dramatic retellings of the histories that inspired them Stylishly illustrated with over two hundred images this book is nothing less than an alternative education for anyone interested in the powerful role that art plays in our society

**Living the Revolution** Jennifer Guglielmo, 2010 Italians were the largest group of immigrants to the United States at the turn of the twentieth century and hundreds of thousands led and participated in some of the period's most volatile labor strikes Yet until now Italian women's political activism

*Around Haledon* Angelica M. Santomauro, Evelyn M. Hershey, 2008 By 1908 when Haledon became independent from Manchester Township thousands of southern and eastern European immigrants settled in the borough and its surrounding area Immigrants found work in textile mills machine shops and other industries located in proximity to the city of Paterson and the Passaic River and its mighty Great Falls Land promoters spurred home building in Haledon a streetcar suburb In 1913 nearly 25,000 workers went on strike demanding an eight hour workday During the six month strike Haledon became the workers haven for free speech and assembly as they demanded safer workplaces a living wage and an end to child labor Archival photographs documents and postcards from 1890 to 1930 share the story of workers and immigrants who fought for the workplace benefits widely enjoyed by Americans today
