The Key To Understanding Revelation:

The Key to Understanding Revelation Pastor Jim Knotek, 2019-04-04 For years people would ask author Jim Knotek his opinion of The Mark of the Beast 666 Armageddon the Millennium and other topics in the Book of Revelation He was convinced that Revelation is a book of historical and prophetic parallels not a chapter by chapter chronological or linear account Chapter twelve focuses on the birth of Jesus Christ which is in the middle of the book How could that be if it were a linear account Furthermore there are several events that are described more than once paralleling one another The rapture which is a coined word from the 1800s is not a biblical word What about the Seven Years of Tribulation That statement is nowhere to be found in the Bible If we are to understand the Apostle John s Revelation we must allow scripture to interpret scripture We cannot use current events as many authors have done All of their books have become outdated as time passes Truly there must be a key to help us understand Revelation more clearly This book is an enlargement of Pastor Jim Knotek s previous book *Unlocking the Mystery of Revelation* It is written in laymen s term and is an excellent commentary for teachers and pastors who many have hesitated to teach a class on Revelation Pastor Jim Knotek is a graduate of Andrews University M A and Concordia Theological Seminary M Div majoring in New Testament and Biblical Languages He has served several congregations in southern California including Capistrano Beach and Huntington Beach Pastor Knotek is also the author of *Angels and Miracles Grief and Hope* a book that was written in tribute to his wife Ruth who departed to be with her Lord in 2010 due to Alzheimer s disease

Meyers,2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation s resistance arguing that Revelation s famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation s proclamation of God s way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God s vision for the world **The Catholic Bible, Personal Study Edition** Graziano Marcheschi,Biagio Mazza,2022-04-29 In local parishes upper levels of secondary schools and introductory college classes the Personal Study Edition provides superb study resources for readers that will open the text of the Bible to new understanding and greater appreciation for all **The Beast** Jonathan P. Leonard,2014-01-30 The identity of the Beast rising out of the sea in Revelation 13 is a hotly debated topic Some believe the Beast has come already while others believe that he is alive today waiting to take his position of power One of the key passages cited by all groups is in Revelation 13 18 Yet the imagery of the book of Revelation has opened it to misinterpretation by modern day interpreters who are unfamiliar with the apocalyptic literary genre Jonathan Leonard explains the meaning of the Beast of Revelation 13 18 in its first century context and its relevance to members of the early church The imagery of the Beast of Revelation is not seen as instilling fear into the hearts of believers concerning the future but serves as a stinging critique of imperial power idolatry and oppression When properly viewed in its original context the unveiling of the Beast can transcend the first century and serve to strengthen the testimony of the church of Jesus Christ in the present day **Bible Talk** J.
