, 1995 **Responsive Evaluation** Brian Cambourne, Jan Turbill, 1994 Issues of assessing and evaluating learning and
teaching have become a dominant concern in recent years not only among those professionally involved in education but in
the community generally This is especially true of literacy learning Yet many teachers have a developing sense of unease with
the traditional methods of evaluation they are expected to use Responsive Evaluation describes the journey of a group of
classroom teachers administrators and researchers as they addressed the issues of evaluation and assessment They wanted
to find a model that was congruent with the way literacy is taught and which would convince parents and the general public
that there were credible alternatives to traditional methods of evaluating learning They found their answers in responsive
evaluation and share them in this book *Shoe and Leather Reporter*, 1913 *Boot and Shoe Recorder*, 1922 **Hide
