The Kid From Naphtali A Novel:

The Kid from Naphtali Eytan Halaban, 1987 *The Last Commission* Eytan Halaban, 2014-01-14 Maury Green was once a proud man Now middle aged unmarried and stuck in a dead end job as a small time real estate agent he has few social prospects and fewer friends The local Jewish community wrote him off years ago when he slunk home to New Haven from the Israeli War of Independence his spirit broken by the very men he tried to help But now twenty five years later Israeli General Yaacov Ronen is passing through the city on a fundraising tour ahead of his run for prime minister Somehow the nebbish Maury winds up on the guest list for a soiree in the general s honor When he finally meets the general Maury sees not an Israeli hero but the taunting smile that s been haunting his nightmares for decades As he soon learns General Ronen needs someone to do a bit of dirty work someone expendable someone like Maury The general promises an impressive commission but Maury will only collect if he lives Maury launches a daring gambit the like of which nobody ever dreamed he could pull off Outwit the great tactician get even and in the process regain his pride his manhood and the love of a wonderful woman not to mention pocket the commission If he survives It s Maury s chance to be a hero once more but to whom and at what price *Ancient Jewish Novels* , 2002-10-03 This volume brings together for the first time all of the ancient Jewish novels and fragments of novels Written at about the same time as the Dead Sea Scrolls and the New Testament but before the

period of Rabbinic Judaism these texts reveal the ambiguities and conflicts encountered by Jews in this period **The Jewish Novel in the Ancient World** Lawrence M. Wills, 2015-03-11 Lawrence M Wills here traces the literary evolution of popular Jewish narratives written during the period 200 BCE 100 CE In many ways these narratives were similar to Greek and Roman novels of the same era as well as to popular novels of indigenous peoples within the Roman Empire Yet as a group they demonstrated a variety of novelistic innovations the inclusion of adventurous episodes passages of description and of dialogue concern with psychological motivation and the introduction of female characters Wills focuses on five novels Greek Esther Greek Daniel Judith Tobit and Joseph and Aseneth Drawing on a wide range of theoretical works he delineates the techniques and motifs of the Jewish novel shows how the genre both initiated and distanced itself from nonfictional prose such as historical and philosophical writing discusses its relation to Greco Roman romance and describes the social conditions governing its emergence and reception Wills also places the novels in historical context situating them between the Hebrew Bible on the one hand and subsequent developments in Jewish and Christian literature on the other Wills sees the Jewish novel as a popular form of writing that provided amusement for an expanding audience of Jewish entrepreneurs merchants and bureaucrats In an important sense he maintains it was a product of the novelistic impulse the impulse to transfer oral stories to a written medium to reach a more literate audience *The Rise of David Levinsky* Abraham Cahan, 1917 **The Hebrew Bible in Contemporary Fiction and Poetry** Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant

narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature
