expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to discipleship follow the Lamb wherever he goes It offers a sharp critique of the world's empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation's blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb

*The Red Magician* Lisa Goldstein, 2014-10-21 Winner of the National Book Award In the shadow of the Holocaust a young girl discovers the power of magic In the schoolroom of a simple European village Kicsi spends her days dreaming of the lands beyond the mountains Paris and New York Arabia and Shanghai When the local rabbi curses Kicsi's school for teaching lessons in Hebrew the holy tongue the possibility of adventure seems further away than ever But when a mysterious stranger appears telling stories of far off lands Kicsi feels the world within her grasp His name is V r s and he is a magician's assistant who seems to have powers all his own There is darkness growing at the edge of the village a darkness far blacker than any rabbi's curse V r s warns of the Nazi threat but only Kicsi hears what he says As evil consumes a continent V r s will teach Kicsi that sometimes the magician's greatest trick is survival

**GO WITH YOUR HEART NOT THE MIND** DUANE THE GREAT WRITER, 2012-08-20 When a person goes with their Heart they are taking the risk into discovering their own Being Of course all most all of us go through some type of schooling which makes sense for the society in which we live but if we never take the risk to discover our Heart and Being then we continue on for many more unconscious lifetimes until we are ready to WakeUp But we definitely need RealGuidance to discover who we are and why we are here moreso than what can be found in any of the Literal Institutions Young children live with their Heart and not their head or mind as they have not been overly conditioned Nature and all the creatures in it are the same way as they are Being with Life and not working against it or trying to destroy it Of course none of us can destroy Life but we can create things that distort what Life has provided for us on the Earth The Reality Life IS is all about Becoming MoreAware from the Heart [www.DuaneTheGreatWriter.Info](http://www.DuaneTheGreatWriter.Info)
