THE COMPOSITION AND MOTIVES
OF THE AMERICAN LOYALIST CLAIMANTS

Wallace Brown

The Kings Friends The Composition And Motives Of The American Loyalist Claimants

William Jennings Terman

The Kings Friends The Composition And Motives Of The American Loyalist Claimants:

The King's Friends Wallace Brown, 1965 This study seeks to primarily answer two questions who were the Loyalists and why were they loyal Some light may also be shown on the suffering of the Loyalists their political philosophy and the reasons for their failure The author journeys through time investigating the intrigues in each state chiefly by examining the remaining records of the claims commission set up by the British government to indemnify American Loyalists for losses caused by the Revolution Pref

Southern Gambit Stanley D. M. Carpenter, 2019-02-21 In a world rife with conflict and tension how does a great power prosecute an irregular war at a great distance within the context of a regional struggle all within a global competitive environment The question so pertinent today was confronted by the British nearly 250 years ago during the American War for Independence And the answer as this book makes plain is not the way the British under Lieutenant General Charles Earl Cornwallis went about it in the American South in the years 1778 81 *Southern Gambit* presents a closely observed comprehensive account of this failed strategy Approaching the campaign from the British perspective this book restores a critical but little studied chapter to the narrative of the Revolutionary War and in doing so it adds detail and depth to our picture of Cornwallis an outsize figure in the history of the British Empire Distinguished scholar of military strategy Stanley D M Carpenter outlines the British strategic and operational objectives devoting particular attention to the strategy of employing Southern Loyalists to help defeat Patriot forces reestablish royal authority and tamp down resurgent Patriot activity Focusing on Cornwallis s operations in the Carolinas and Virginia leading to the surrender at Yorktown in October 1781 Carpenter reveals the flaws in this approach most notably a fatal misunderstanding of the nature of the war in the South and of the Loyalists support Compounding this was the strategic incoherence of seeking a conventional war against a brilliant unconventional opponent and doing so amidst a breakdown in the unity of command Ultimately strategic incoherence ineffective command and control and a misreading of the situation contributed to the series of cascading failures of the British effort Carpenter s analysis of how and why this happened expands our understanding of British decision making and operations in the Southern Campaign and their fateful consequences in the War for Independence

The War of American Independence, 1763-1783 Stanley D. M. Carpenter, Kevin J. Delamer, James R. McIntyre, Andrew T. Zwilling, 2023-02-15 *The War of American Independence 1763 1783 Falling Dominoes* addresses the military maritime and naval economic key personalities key societal groups political imperial rivalry and diplomatic dynamics and events from the post Seven Years War era in Great Britain s North American colonies through the end of the War of American Independence Beginning in 1763 and moving through the war chronologically the authors argue that British political and strategic leaders failed to develop an effective strategy to quell the discontent and subsequent revolt in the North American colonies and thus failed to restore allegiance to the Crown This book describes and analyzes events and the outcomes of central players decisions the British North American colonies Great Britain France Spain and the Dutch Republic

and the resultant actions It examines events through the thematic lens of strategy political and military leadership public attitudes economics international rivalries and relations and the role of traditionally less considered groups women slaves and Native American peoples This book is an enlightening and essential read for all history students from high school through to those on postgraduate courses as well as those with an interest in the American Revolution The American Revolution and the Baptist and Presbyterian Clergy of Virginia William Jennings Terman,1974 *Scottish Exodus* James Hunter,2011-03-25 Millions of Scots have left their homeland during the last 400 years Until now they have been written about in general terms *Scottish Exodus* breaks new ground by taking particular emigrants drawn from the once powerful Clan MacLeod and discovering what happened to them and their families These people became among other things French aristocrats Polish resistance fighters Texan ranchers New Zealand shepherds Australian goldminers Aboriginal and African American activists Canadian mounted policemen and Confederate rebels One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo This gripping account of Scotland's worldwide diaspora is based on unpublished documents letters and family histories It is also based on the author's travels in the company of today's MacLeods some of them still in Scotland others further afield *Scottish Exodus* is a tale of disastrous voyages famine and dispossession the hazards of pioneering on faraway frontiers But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings began American Political Trials Michal R. Belknap,1994-02-28 An updated and expanded revision of a popular book published in 1981 *American Political Trials* examines the role of politicized criminal trials and impeachments in U S history from the early colonial era to the late 20th century Each chapter focuses on a trial representative of a particular era in the American past The emphasis is on cases that resulted from political persecution but the book also shows how defendants have exploited the judicial process to advance their political objectives All of the chapters appearing in the earlier book have been updated In addition the volume includes new chapters on the 1637 trial of Anne Hutchinson and the 1989 trial of Lt Col Oliver North for his role in the Iran Contra scandal The book also includes an updated bibliographical essay **The Consequences of Loyalism** Rebecca Brannon,Joseph S. Moore,2019-02-28 This anthology examines the role of Loyalism in the American Revolution building on the pioneering work of historian Robert M Calhoon Calhoon's work on American Loyalists redefined their role in the Revolution showing them to be dynamic figures adapting to a society in upheaval In *The Consequences of Loyalism* editors Rebecca Brannon and Joseph S Moore shed light on Calhoon's foundational influence and explore the continuing scholarship in the wake of his prolific career This volume unites sixteen previously unpublished essays that build on Calhoon's work and consider Loyalism's relationship to conflict resolution imperial bureaucracy and identity creation In the first of two sections scholars discuss the complexities of Loyalist identity while considering Calhoon's earlier work In the second section scholars work from Calhoon's later publications to

investigate the consequences of Loyalism both for the Loyalists and for the legacy of the Revolutionary War This book brings Loyalist dilemmas alive digging into their personalities and postwar routes Loyalists from all facets of society fought for what they considered their home country women wrote letters commanders took to the battlefield and thinkers shaped the political conversation This volume complements Calhoun s influential work expands the scope of Loyalist studies and opens the field to a deeper perhaps revolutionary understanding of the king s men *Colonial South Carolina* Robert M. Weir,1983 Weir examines the apparent paradoxes of a colony with close colonial ties to England supportive of the American Revolution while maintaining a slave society **Desertion in the American Army During the Revolutionary War** James Howard Edmonson,1977 **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles** University of California (System). Institute of Library Research,University of California, Berkeley,1972 **Havens Harbor** ,1988 Violence in the United States, Riots, Strikes, Protest and Suppression Dirk Hoerder,1973 *Writing South Carolina's History* Archie Vernon Huff,1992 **The Publishers' Trade List Annual** ,1985 **New York Historical Society Quarterly** New-York Historical Society,1969 **The South Carolina Historical Magazine** ,1966 *Catalogue of the Public Archives Library* Public Archives of Canada. Library,1979 The American Revolution, 1763-1789 Keith Krawczynski,2003 Each volume of the History in Dispute series has a thematic era or subject specific focus that coincides with the way history is studied at the academic level Each volume contains roughly 50 entries chosen by a board of historians and academics *Brooklyn USA* Rita Seiden Miller,1979 *Making Our Way* Walter T. K. Nugent,2003 James Nugent married Agnes Bell in Ireland in about 1824 They had six known children They emigrated and settled in Ontario Descendants and relatives lived mainly in New York Ontario and Quebec
